Item 1.01. Entry into a Material Definitive Agreement.

Additional Custodian; Custody Services Agreement

On September 29, 2026, Grayscale Investments Sponsors, LLC, the sponsor (the "Sponsor") of Grayscale Avalanche Staking ETF (the "Trust"), on behalf of the Trust, and Anchorage Digital Bank N.A. ("Anchorage Digital"), a national trust bank chartered by the Office of the Comptroller of the Currency, entered into the Sixth Amendment (the "Anchorage Digital Amendment") to the Master Custody Service Agreement, dated as of August 8, 2025 (as amended, the "Anchorage Digital Custodian Agreement"), pursuant to which the Trust became a party to the Anchorage Digital Custodian Agreement.

Pursuant to the Anchorage Digital Custody Agreement, Anchorage Digital will provide services related to the custody and safekeeping of a portion of the Trust's AVAX holdings.

The Sponsor intends to utilize Anchorage Digital's services to custody a portion of the Trust's AVAX. The Trust's existing custody arrangement with Coinbase Custody Trust Company, LLC is unaffected by the Trust's entry into the Anchorage Digital Custodian Agreement, and Coinbase remains the Trust's primary custodian. The Sponsor shall, in its sole discretion, determine the amounts held at either custodian as permitted by the Trust Agreement. At the current time, the Sponsor has not determined the total amount of the Trust's AVAX it will move to Anchorage Digital. The addition of Anchorage Digital reflects the Sponsor's ongoing risk management approach as part of the Trust's growing size. References to the "Custodian" in this prospectus refer to Coinbase Custody Trust Company, LLC, Anchorage Digital and/or other custodians, collectively or in their individual capacities, as the context may require.

With respect to the Trust's AVAX held by Anchorage Digital, upon Sponsor instruction, Anchorage Digital will withdraw from the Trust's account maintained with Anchorage Digital the amount of AVAX necessary to pay the Trust's Sponsor's Fee and any Additional Trust Expenses, consistent with the procedures described on page 113 of the Trust's prospectus, dated March 11, 2026, under "Business—Expenses; Sales of AVAX—Disposition of AVAX." Fees paid to the Additional Custodian are a Sponsor-paid Expense.

Under the Anchorage Digital Custodian Agreement, Anchorage Digital receives the Trust's AVAX for storage by generating private keys and their corresponding public keys, and retains custody of those private keys at all times. The hardware security module Anchorage Digital uses to safeguard such private keys is located in the United States.

In the event of a fork of the Avalanche blockchain, the Anchorage Digital Custody Agreement provides that Anchorage Digital may temporarily suspend services, and may, in its sole discretion, determine whether or not to support (or cease supporting) either branch of the forked protocol entirely, provided that Anchorage Digital shall use commercially reasonable efforts to avoid ceasing to support both branches of such forked protocol.

In addition, the Additional Custodian is required under the Anchorage Digital Custodian Agreement to maintain certain insurance coverage, which the Sponsor believes is industry standard, including commercial crime insurance or a fidelity bond with limits of not less than $100 million in the aggregate, covering theft of money or other property under the Additional Custodian's case, custody or control, including digital assets held in cold storage. Shareholders cannot be assured that the Additional Custodian will maintain adequate insurance or that such coverage will cover losses with respect to the Trust's AVAX.

The foregoing description of the Anchorage Digital Custodian Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Anchorage Digital Custodian Agreement and the Anchorage Digital Amendment, which are filed with this Current Report on Form 8-K as Exhibits 10.1 and 10.2, respectively.

ANCHORAGE DIGITAL BANK STANDARD TERMS AND CONDITIONS

Capitalized terms not defined in the Order Form, body of these Terms and Conditions, or supporting Schedules are defined in Schedule A (Definitions).

1. Anchorage Appointment and Provision of the Services.

1.1. Appointment. Client appoints Anchorage to provide the Services, including acting as custodian of Client Digital Assets pursuant to this Agreement, and Anchorage hereby accepts such appointment. Anchorage is, and shall remain at all times during the Term of this Agreement, a qualified custodian as defined under Investment Advisers Act of 1940 as amended. Anchorage shall at all times use best efforts to provide the Services.

1.2. Provision of the Services.

(a) Subject to (i) Client's successful completion of the account acceptance process as provided in Section 2.1, and (ii) provided that Client is in compliance with this Agreement, during the Term, Anchorage will provide the Services to Client.

(b) Anchorage will reasonably determine the requirements for any Direction, including Authenticated Instructions, and whether such requirements have been satisfied as to any Direction, at all times subject to this Agreement. Anchorage shall not act on a direction or instruction which is not an Authenticated Instruction. Subject to the terms of, and provided Anchorage complies with its obligations under, this Agreement, Anchorage is entitled to rely upon a Direction in all respects. Client acknowledges that (i) Anchorage's acceptance of Directions related to Client's deposit and withdrawal of assets is based on the parameters of Authenticated Instructions and in accordance with Anchorage's Services requirements; (ii) Anchorage has no duty to inquire into or investigate the legality, validity, or accuracy of any information, data, or instructions related to a Direction, unless Anchorage has constructive or actual knowledge that the person originating the Direction does not have the authority to bind the Client; and (iii) except as required by Law, Anchorage shall run applicable checks such as sanctions screening.

(c) The Services are available only in connection with those Digital Assets and protocols that Anchorage, in its sole discretion, supports. The type and scope of Services that Anchorage supports for each Digital Asset, and applicable Fees for such Services, may differ. Under no circumstances should Client attempt to use the Services to store, send, request, or receive Digital Assets and protocols that Anchorage does not support. Anchorage assumes no responsibility in connection with any attempt to use any Account or Vault with Digital Assets that Anchorage does not support, and any such unsupported Digital Assets deposited to or received in any Account or Vault are subject to forfeiture and loss. The Digital Assets that Anchorage supports may change from time to time, based on Anchorage's sole and absolute discretion. Anchorage will notify Client in writing in advance if it ceases to support a particular Digital Asset for which Anchorage has provided Services to Client. In the case of bitcoin and ether, Anchorage shall provide Client with one hundred and eighty (180) days' written notice before ceasing to support custody services for bitcoin and ether, unless Anchorage is required to cease such support by court order, statute, law, rule (including a self- regulatory organization rule), regulation, code, or other similar requirement, in which case written notice shall be provided promptly upon Anchorage determining it will not be able to support custody services for bitcoin and ether.

(d) Client acknowledges that Anchorage will not monitor Digital Assets for actions taken by the issuer of such Digital Asset, if any. Such actions may include an issuer instruction requiring the holder of a Digital Asset to transfer it to a certain location. For the avoidance of doubt, Client is solely responsible for satisfying or responding to any such actions of an issuer.

(e) Anchorage shall only follow the Directions from Client. Anchorage is released and held harmless by Client for following the Directions from the Client.

(f) [Reserved]

(g) From time to time, Anchorage may, in its sole discretion, offer Client additional optional services involving settlement services ("**Optional Settlement Services**"). Client may elect to accept Optional Settlement Services by signing the Settlement Services Addendum attached to this Agreement, or by accepting such services in the Anchorage Platform if offered therein. In the event Client accepts Optional Settlement Services, Client agrees to comply with all terms and conditions set forth under the Settlement Services Addendum. For the avoidance of doubt, by entering this Agreement, the Client has not elected to accept Optional Settlement Services from Anchorage.

(h) Anchorage agrees that Anchorage is solely responsible for any gas or network fees necessary for the transfer of Digital Assets in connection with Client's Direction as set forth in this Agreement (including its obligation to settle any Transactions) as it relates to trust or exchange-traded funds services. However, for any additional new entities added under this Agreement, Anchorage reserves the right to evaluate the applicable gas or network fees and shall notify the Client immediately.

(i) Vesting Schedules. By custodying Digital Assets from validators, protocols, or token issuers (each a "Token Issuer") with a Vesting Schedule ("Restricted Assets") with Anchorage, Client agrees that Restricted Assets may be subject to the applicable Vesting Schedule imposed by the applicable Token Issuer. Anchorage may, as required by Token Issuer, act in accordance with and comply on a best efforts basis with the applicable Vesting Schedule, such that all Restricted Assets deposited in Client Account or Vault shall remain restricted from withdrawal by Client in accordance with the applicable Vesting Schedule provided by the Token Issuer, and as instructed by the Token Issuer to Anchorage. Accordingly, Client acknowledges and agrees that Client may not be able to withdraw any Restricted Assets from Client Account or Vault until such assets have vested pursuant to the applicable Vesting Schedule as provided by Token Issuer, and in the case of any conflict between Client Directions regarding Restricted Assets and the applicable Vesting Schedule, Anchorage is hereby authorized by Client to act in accordance with the Vesting Schedule.

(j) Token Issuer Risks. Client acknowledges and agrees that Anchorage is not responsible for decisions made by any Token Issuer, or for any changes to any Vesting Schedule made by the Token Issuer once Client's Restricted Assets are deposited with Anchorage, and Client acknowledges and accepts any risks associated with decisions made by Token Issuer, which are outside of Anchorage's control. If Client causes Anchorage to follow any Client Directions that would result in any of the Client Account(s) being in violation of any applicable Vesting Schedule, Client agrees to indemnify and hold Anchorage harmless against any Claims by the Token Issuer.

(k) Anchorage shall only follow the Directions from Client. Anchorage is released and held harmless by Client for following the Directions from the Client.

(l) Pursuant to Section 2.4 of this Agreement, the third-party staking providers referenced in relevant On-Chain Services do not take custody of the Client's private keys, which are held by Anchorage at all times.

1.3. Storage of Digital Assets. Anchorage will receive Digital Assets for storage by generating Private Keys and their Public Key pairs, with Anchorage retaining custody of such Private Keys. Upon receipt, Anchorage will at all times use best efforts to custody the Digital Assets in Client's name or Accounts established for the benefit of the Client, unless otherwise specified in (a) an applicable Client Service Provider Agreement, or (b) instructions provided by a Client Service Provider or a Control Party pursuant thereto. Anchorage shall be deemed to have received a Digital Asset after the Digital Asset's receipt has been confirmed on the relevant Blockchain or otherwise ledgered to Anchorage's satisfaction. The hardware security module utilized by Anchorage is located in the United States. Upon Client's written request, Anchorage shall provide confirmation that the hardware security module still remains in the United States. Digital Assets in Client's Account shall (i) be segregated at a unique blockchain address or addresses on the relevant Blockchain (e.g., in the case of bitcoin, the Blockchain associated with the Bitcoin network) from the assets held by Anchorage as principal and the assets of other customers of Anchorage and any other person, (ii) not be treated as general assets of Anchorage, and Anchorage shall have no right, title or interest in such Digital Assets, (iii) Anchorage serves as a fiduciary and custodian on Client's behalf, and the Digital Assets in Client's Account are considered fiduciary assets that remain Client's property at all times. Digital Assets shall be held in Client's Account in accordance with the terms of this Agreement and shall not be commingled with other customers', Anchorage's, or any other person's Digital Assets. Client's Account(s) and all Digital Assets in the Client's Account shall be held by Anchorage at all times.

1.4. Accounting for Digital Assets. At all times, Client owns Digital Assets and fiat currency (if applicable) held by Anchorage on behalf of Client under this Agreement. Client Digital Assets and fiat currency shall be kept separate from the assets of Anchorage and shall not be reflected on Anchorage's balance sheet as assets of Anchorage. Anchorage will record on its books and records all Digital Assets and fiat currency (if applicable) received by it for the Account and will segregate Digital Assets from those of any other person or entity. Anchorage will provide Client with access to the Technology Platform for transaction records and holdings and will provide Client daily statements that show balances and transaction records of Client Digital Assets. Upon commercially reasonable notice to Anchorage, Anchorage will provide Client copies of the books and records pertaining to the Client that are in the possession or under the control of Anchorage. The books and records maintained by Anchorage will, to the extent applicable, be prepared and maintained in all material respects as required by applicable Laws, and shall separately identify Client's Digital Assets at all times such that in an insolvency of Anchorage, the receiver or other administrator appointed in respect of Anchorage would be able to identify and trace Client's Digital Assets separately from the assets of Anchorage's own assets and those of all other persons. Upon request from Client in writing, Anchorage shall reasonably cooperate with Client's authorized independent public accountant, and provide Client's authorized independent public accountant confirmation of and access to information sufficient to confirm (i) Client's Digital Assets and fiat currency as of such date as such accountant may specify, and (ii) Client's Digital Assets are held in a separate account under Client's name, and (iii) such other information as Client's authorized independent public accountant may reasonably request in connection with any audit or examination of Client.

1.5. Authority to Assign or Pledge. Client's Digital Assets and fiat currency shall not be subject to

any right, charge, security interest, lien or claim of any kind in favor of Anchorage or any of its Affiliates or of any creditor of any of them, and Anchorage shall not have the independent right or authority to assign, hypothecate, pledge, encumber or otherwise dispose of any Client Digital Assets or fiat currency. The Digital Assets in the Account and the fiat currency in the Deposit Account, as defined in Section 2.7, are not general assets of Anchorage or of any of its Affiliates and are not available to satisfy claims of any creditors of Anchorage or of any of its Affiliates.

1.6. Application of UCC. Client Digital Assets in the Account and fiat currency will be treated as "financial assets" under Article 8 of the New York Uniform Commercial Code ("Article 8"). Anchorage is a "securities intermediary," the Account is a "securities account," and Client is an "entitlement holder" under Article 8. This Agreement sets forth how Anchorage will satisfy its Article 8 duties. Treating Client assets in the Account as financial assets under Article 8 does not determine the characterization or treatment of the cash and digital assets of Client under any other law or rule. New York will be the securities intermediary's jurisdiction with respect to Anchorage for purposes of Article 8, and New York law will govern all issues addressed in Article 2(1) of the Hague Securities Convention. Anchorage will credit the Client with any payments or distributions on any Client assets it holds for Client's Account. Anchorage will comply with Client's Directions with respect to Client assets in Client's Account, subject to the terms of this Agreement. Anchorage is obligated by Article 8 to maintain sufficient digital assets to satisfy all entitlements of customers of Anchorage, respectively, to the same digital assets. Anchorage shall not grant any person or entity a lien, security interest, encumbrance, mortgage, pledge, or adverse claim or interest of any kind in the digital assets in the Client's Account. Digital assets in Client's Account are custodial assets. Under Article 8, the digital assets in the Client's Account are not general assets of Anchorage, and are not available to satisfy claims of creditors of Anchorage or any of its Affiliates. Anchorage will comply at all times with the duties of a securities intermediary under Article 8, including but not limited to those set forth at UCC sections 8-504(a), 8-505(a), 8-506(a), 8-507 and 8-508.

1.7. Rights of Use; Limits on Use. Subject to the terms of this Agreement, including compliance with Schedule B (Technical and Equipment Specifications) and Client's confidentiality obligations under Section 8, Anchorage hereby grants to Client a non-sublicensable, non- exclusive, worldwide right during the Term to access the Technology Platform. The foregoing rights grant extends to access and use by Authorized Persons, and for the Anchorage API only, to Third Parties authorized by Client, subject to Section 2.3(b). Client will not, and will not permit Authorized Persons or Third Parties to: (i) directly or indirectly copy, disseminate, display, distribute, publish, sell, or otherwise use or disclose any part of the Technology Platform, or create any works or other materials based on or derived from any part of the Technology Platform; (ii) reverse engineer, decompile, or disassemble the software used in the Technology Platform; (iii) sell, rent, lease, or license Client's right to use the Technology Platform except as may be set out under this Agreement; or (iv) use the Technology Platform or Services in any other way not expressly authorized by this Agreement. Client will be responsible for all acts and omissions of Authorized Persons in connection with or relating to this Agreement.

1.8. Support and Maintenance. Subject to applicable Law, as part of the Services and at no additional cost to Client, Anchorage will (i) make available the Technology Platform, and (ii) provide other Support Services as described in this Agreement.

1.9. Business Continuity Policy. Anchorage shall maintain and follow a business continuity policy applicable to Anchorage's performance of Services. This plan is reviewed annually, and can be updated if deemed necessary

by Anchorage in its sole discretion

1.10. Forks, Airdrops.

(a) Should a Fork occur, subject to Section 1.10(b): (i) Anchorage retains the right, in its sole discretion, to determine whether or not to support (or cease supporting) either Forked Network; (ii) in connection with determining to support a Forked Network, Anchorage may suspend certain operations, in whole or in part (with or without advance notice), for however long Anchorage deems necessary, in order to take the necessary steps, as determined in its sole discretion, to perform obligations hereunder with respect to supporting a Forked Network; (iii) Client hereby agrees that Anchorage shall determine, in its sole discretion, whether to support such Forked Network and that Client shall have no right or claim against Anchorage related to value represented by any change in the value of any Digital Asset (whether on a Forked Network or otherwise), including with respect to any period of time during which Anchorage exercises its rights described herein with respect to Forks and Forked Networks; (iv) Anchorage will use commercially reasonable efforts to timely select, in its sole discretion, at least one (1) of the Forked Networks to support and will identify such selection in a written notice.

(1) With respect to a Forked Network that Anchorage chooses not to support, it may, in its sole discretion, elect to (x) abandon or otherwise not pursue obtaining the Digital Assets from that Forked Network, or (y) if Client provides written consent to take delivery of such Digital Assets from the Forked Network, deliver the Digital Assets from that Forked Network to Client within a time period as determined by Anchorage in its sole discretion, together with any credentials, keys, or other information sufficient to gain control over such Digital Assets (subject to the withholding and retention by Anchorage of any amount reasonably necessary, as determined in Anchorage's sole discretion, to fairly compensate Anchorage for the efforts expended to obtain and deliver such Digital Assets to Client).

(2) With respect to Forked Networks that Anchorage chooses to support, Client may be responsible for the fees for such support (to be negotiated), and Client acknowledges and agrees that Anchorage assumes no responsibility with respect to any Forked Network and related Digital Assets that it chooses not to support.

(b) Prospective Abandonment. Client will abandon irrevocably for no direct or indirect consideration (each such abandonment, a "**Prospective Abandonment**"), effective immediately prior to any time at which Client creates shares or units (each such time, a "**Creation Time**") or redeems shares or units (each such time, a "**Redemption Time**"), all Incidental Assets of Client, provided that a Prospective Abandonment immediately prior to any Creation Time or Redemption Time will not apply to any Incidental Asset if: (i) Client has taken an Affirmative Action to acquire or abandon such Incidental Asset at any time prior to such Creation Time or Redemption Time; or (ii) such Incidental Asset has been subject to a previous Prospective Abandonment. Anchorage acknowledges that, as a consequence of a Prospective Abandonment or Affirmative Action to abandon Incidental Assets, Client will have no right to receive any Incidental Asset that is subject to such Prospective Abandonment or abandoned via Affirmative Action, and Anchorage will have no authority, pursuant to this Agreement or otherwise, to exercise, obtain or hold, as the case may be, any such Incidental Asset on behalf of Client, nor may Anchorage ultimately take control of such Incidental Asset for its own economic benefit. Client represents that it will take no action at any time that is inconsistent with a Prospective Abandonment or abandonment through Affirmative Action and, without limiting the generality of the foregoing, that it will not accept any future delivery of any abandoned Incidental Asset, that it will not accept any payment from any person in respect of any abandoned Incidental Asset and that it will not represent to any person

or in any context that it has any remaining rights with respect to any abandoned Incidental Asset.

For the avoidance of doubt, if Anchorage does not support an Incidental Asset, such Digital Assets shall be abandoned and forfeited pursuant to this section of the Agreement.

(c) In the event that an announcement of a Fork in a digital asset is to occur, and subject to the provisions set forth in Section 1.10(b), upon a written notice by either Party, Parties agree to enter into a good faith discussion about which Fork can be supported by Anchorage and Anchorage will support at least one branch of such Fork, unless expressly prohibited by Law or Anchorage's US prudential regulator. Notwithstanding anything to the contrary herein, Anchorage agrees to provide advance written notice to the Client announcing which Forked Network Anchorage intends to support for a digital asset, promptly upon becoming aware of such a potential suspension, and to use commercially reasonable efforts to give Client a reasonable opportunity to withdraw Client's Digital Assets following such announcement.

(d) Client acknowledges that Digital Asset values can fluctuate substantially which may result in a total loss of the value of Digital Assets. The supply of Digital Assets available as a result of a Forked Network and Anchorage's ability to deliver Digital Assets resulting from a Forked Network may depend on circumstances or Third Party providers that are outside of Anchorage's control. Anchorage does not own or control any of the protocols that are used in connection with Digital Assets and their related Digital Asset networks, including those resulting from a Forked Network. Accordingly, Anchorage disclaims all liability relating to Forked Network and any change in the value of any Digital Assets (whether on a Forked Network or otherwise), and makes no guarantees regarding the security, functionality, or availability of such protocols or Digital Asset networks. Client accepts all risks associated with the use of Anchorage's services to conduct transactions, including, but not limited to, in connection with the failure of hardware, software, and internet connections.

1.11. Digital Asset Screening. Any movement of Digital Assets into, or from, a Client's Account at Anchorage will be subject to a screening requirements for compliance purposes as it relates to, but not limited to anti-money laundering, sanctions Law, counter-terrorist financing, and other legal obligations. In the event such screening results in a Digital Asset transaction being suspected or determined to be in violation of the screening requirements set forth by Anchorage, such Digital Assets shall be locked in the Client's Account and Anchorage shall promptly notify the Client of such event. The Client acknowledges and agrees that Anchorage shall not be held responsible for any damages, liabilities, or loss that may result from the screening.

1.12. Generally. Notwithstanding any federal, state, or local Law to the contrary regarding any common law or contractual duty, Client agrees that Anchorage will perform only such duties as are expressly set forth herein as Services, and no additional duties or obligations shall be implied. Anchorage has the authority to do all acts that Anchorage reasonably determines are necessary, proper, or convenient for it to perform its obligations under this Agreement and shall have no obligation to perform acts which it reasonably believes do not comply with applicable Laws. In providing the Services, Anchorage has no duty to inquire as to the provisions of or application of any agreement or document other than this Agreement, notwithstanding its receipt of such agreement or document.

2. Client Responsibilities and Acknowledgements.

2.1. Account Acceptance; Authorized Person Designations.

(a) Services will be provided only after Client's successful completion of the account acceptance process, including but not limited to the onboarding process in Section 2.3(a), as determined in Anchorage's sole discretion. Anchorage may terminate this Agreement upon fourteen (14) days' prior written notice to the Client due to Client's failure to complete the onboarding process with Anchorage. To complete the acceptance process, Client shall provide Anchorage with information and documents, which include but are not limited to, information necessary for Anchorage's compliance with the Bank Secrecy Act ("**BSA**"), and all Laws and regulations relating to anti-money laundering ("**AML**"), Know-Your-Customer ("**KYC**"), counter-terrorist financing, sanctions screening requirements, or any other legal obligations, in each case, as determined by Anchorage in its sole discretion. Upon acceptance of Client by Anchorage, Client shall nominate and manage Authorized Persons;

(b) In order to be approved as an Authorized Person, nominated persons must agree to data collection permissions and related policies provided in the Anchorage application and Technology Platform, including privacy policies and other terms, which may be amended from time to time. A copy of the then-current versions of such privacy policies and other terms will be provided at the written request of Client. Client is solely responsible for the actions or inactions of all Authorized Persons at all times, though Anchorage shall comply with its obligations under this Agreement, including the standard of care specified in Section 10 hereof. With respect to Client's primary custody Account, Client will initially nominate three (3) or more individuals as Authorized Persons prior to initiation of Client on-boarding by Anchorage, and a minimum of two (2) of three (3) Authorized Persons must approve an Authenticated Instruction. Anchorage reserves the right in its reasonable sole discretion to change the minimum number of Authorized Persons to be designated or which are required to approve a Direction.

(c) Subsequent to the approval and on- boarding of initial Authorized Persons, Client may nominate additional Authorized Persons or revoke an Authorized Person's status, each through a Direction to be approved by a Quorum.

Notwithstanding the foregoing, either Party may retain copies of Confidential Information and Client Data (i) for audit, legal, accounting or compliance purposes; (ii) if included within unstructured backup files or that technically cannot be deleted; (iii) pursuant to a bona fide and consistently applied document retention policy or regular backup of data storage systems; provided, further, that in either case, any Confidential Information so retained shall remain subject to the confidentiality obligations of this Agreement (iv) as licensed pursuant to Section 3.3; or (iv) as may be required by applicable Laws, including requirements of the OCC.

8.3. Allowances. Notwithstanding the foregoing, Anchorage may disclose any Confidential Information of Client to the OCC, or that is requested from, or required or appropriate to be provided to, any other state, federal, or international governmental or regulatory body with jurisdiction over Anchorage, without prior notice to Client. In addition, notwithstanding the foregoing, Anchorage may disclose the existence and terms of this Agreement in connection with an actual or prospective sale or transfer of Anchorage's assets or stock.

violation of any law, rule or regulation related to the performance of its obligations under this Agreement, or Client's gross negligence, fraud or willful misconduct, in each case unless caused primarily by Anchorage's breach, negligence, willful misconduct, fraud, or failure to abide by the relevant standard of care as set forth in Section 10. This obligation will survive any termination of this Agreement as it relates to the Claims and Losses arising during the term of the Agreement or as it relates to activity during such term. Client shall not accept any settlement of any Claims or Losses if such settlement imposes any financial or non-financial liabilities, obligations or restrictions on, or requires an admission of guilt or wrong-doing from, any indemnified party pursuant to this Section 9.1(a), without such indemnified party's prior written consent.

b) Anchorage shall defend and indemnify and hold harmless Client, its affiliates, and their respective officers, directors, agents, employees and representatives from and against any and all Claims and Losses to the extent arising out of or relating to Anchorage's: (i) any breach of Anchorage's confidentiality, data protection and/or information security obligations, (ii) violation of any law, rule or regulation with respect to the provision of the Services; (iii) the full amount of any Client Digital Assets lost (provided that clause (iii) will also include Claims and Losses that are direct damages to Client); (iv) gross negligence, fraud or willful misconduct; or (v) that Client's access or use of the Services, in accordance with the terms and conditions of this Agreement violates, misappropriates, or infringes upon any third party intellectual and/or industrial property rights, including patent rights, copyrights, moral rights, trademarks, trade names, service marks, trade secrets, rights in inventions (including applications for, and registrations, extensions, renewals, and re-issuances of the foregoing), in each case as it relates to the Claims and Losses arising during the term of the Agreement or as it relates to activity during such term (including, for the avoidance of doubt, any Transition Period). This obligation will survive any termination of this Agreement. Anchorage shall not accept any settlement of any Claims or Losses if such settlement imposes any financial or non-financial liabilities, obligations or restrictions on, or requires an admission of guilt or wrong-doing from, any indemnified party pursuant to this Section 9.1(b), without such indemnified party's prior written consent.

9.2. For the purposes of this Agreement:

(a) "Claim" means any action, suit, litigation, demand, charge, arbitration, proceeding (including any civil, criminal, administrative, investigative or appellate proceeding), hearing, inquiry, audit, examination or investigation commenced, brought, conducted or heard by or before, or otherwise involving, any court or other governmental, regulatory or administrative body or any arbitrator or arbitration panel; and

IN THE EVENT OF A LOSS OF SOME, OR ALL OF, A CLIENT'S DIGITAL ASSETS WHICH AROSE OUT OF

ANCHORAGE'S NEGLIGENCE, WILLFUL MISCONDUCT, OR FRAUD, ANCHORAGE SHALL IN THE CASE OF LOST DIGITAL ASSETS, RETURN TO CLIENT A QUANTITY OF DIGITAL ASSETS EQUAL TO THE QUANTITY OF SUCH LOST DIGITAL ASSETS.

10.2. DAMAGES LIMITATION. IN NO EVENT WILL A PARTY BE LIABLE FOR (I) LOSSES WHICH ARISE FROM A PARTY'S COMPLIANCE WITH APPLICABLE LAWS, INCLUDING SANCTIONS LAW ADMINISTERED BY OFAC; OR (II) SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR LOST PROFITS OR LOSS OF BUSINESS ARISING IN CONNECTION WITH THIS AGREEMENT. IN ADDITION TO THE FOREGOING, ANCHORAGE SHALL NOT BE LIABLE FOR ANY LOSSES WHICH ARISE AS A RESULT OF THE NON-RETURN OF DIGITAL ASSETS THAT CLIENT HAS DELEGATED TO ANCHORAGE OR A THIRD PARTY FOR ON-CHAIN SERVICES, SUCH AS STAKING, VOTING, VESTING AND SIGNALING, UNLESS SUCH LOSSES OCCUR AS A RESULT OF ANCHORAGE'S NEGLIGENCE, FRAUD, OR INTENTIONAL MISCONDUCT.

FOR THE AVOIDANCE OF DOUBT, THE LIMITATION OF LIABILITY IN THIS SECTION 10 IS A SEPARATE LIMITATION OF LIABILITY AS TO EACH CLIENT AND SHALL NOT INCLUDE ANY AMOUNT PAID BY CLIENTS IN THE AGGREGATE.

11. Dispute Resolution; Binding Arbitration.

11.1. Initial Resolution; Mediation. In the event of any dispute, potential claim, question, or disagreement arising from or relating to this Agreement or the breach thereof (collectively, a "**Dispute**"), the aggrieved Party shall notify the other of the aggrieved Party's intent to address and resolve the Dispute, and the specific terms of such Dispute. The Parties shall use their commercially reasonable efforts to promptly settle the Dispute. Such efforts will include, at a minimum, that executives of each Party consult, meet in person, and negotiate with each other in good faith. If the Parties do not resolve the Dispute pursuant to the foregoing paragraph within a period of 30 days following the aggrieved Party's notice, then, upon notice by either Party to the other, the Parties agree to confidentially mediate the Dispute in good faith according to the American Arbitration Association ("**AAA**") Commercial Mediation Procedures in Wilmington, Delaware or another location agreed to by the Parties. The Parties shall work in good faith with the mediator to attempt to complete the mediation within 30 days of such notice.

11.2. Arbitration. If the parties do not resolve the Dispute pursuant to the foregoing paragraph, then, upon notice by either Party to the other, the Dispute shall be finally settled by binding arbitration administered by the AAA in accordance with the provisions of its rules applicable to commercial disputes. The arbitration shall be conducted on a confidential basis in Wilmington, Delaware or another location agreed to by the Parties. The arbitration shall be conducted before a single arbitrator experienced in contract, finance and technology law. Any decision or award shall be in writing and shall provide an explanation for all conclusions of law and fact. The arbitrator may award the prevailing Party on each claim or defense, if any, as determined by the arbitrator, some or all of its Costs, in the arbitrator's sole discretion. "**Costs**" mean all reasonable pre-award expenses of the arbitration, including the arbitrators' fees, administrative fees, out-of-pocket expenses such as copying and telephone, witness fees, and reasonable attorneys' fees.

No Party shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce

any agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.

11.3. Exception for Protection of Confidential Information. The Parties each agree that the protection of Confidential Information is necessary and reasonable in order to protect the Disclosing Party and its business. The Parties each expressly agree that monetary damages would be inadequate to compensate the Disclosing Party for any breach of its Confidential Information. Accordingly, each Party agrees and acknowledges that any such violation or threatened violation would cause irreparable injury to the Disclosing Party and that, in addition to any other remedies that may be available, in law, in equity or otherwise, the Disclosing Party shall be entitled to obtain injunctive relief against the threatened breach or continued breach by the Receiving Party, without the necessity of proving actual damages.

11.4. Annual Certificate and Report. Upon Client's written request, which shall occur no more than once per calendar year, Client shall be entitled to request that Anchorage provide a copy of its most recent Services Organization Controls ("SOC") 1 report and SOC 2 report (together, the "SOC Reports"), and promptly deliver to Client a copy thereof. The SOC Reports shall not be dated more than one year prior to such request. Anchorage reserves the right to combine the SOC 1 and SOC 2 reports into a comprehensive report. In the event that Anchorage does not deliver a SOC 1 Report or SOC 2 Report, as applicable, Client shall be entitled to terminate this Agreement.

Upon Client's written request, which request shall occur no more than once per calendar year, Anchorage shall deliver to Client a certificate signed by a duly authorized officer, which certificate shall certify that the representations and warranties of Anchorage contained in Section 11.4 of this Agreement are true and correct on and as of the date of such certificate and have been true and correct throughout the preceding year, but only to the extent that the representations and warranties of Anchorage contained in Section 11.4 are not expressly addressed in the SOC Reports.

11.5. Enhanced Due Diligence. Upon ninety (90) days' advance written notice by the Client, which shall occur no more than once per calendar year, Anchorage will respond to updated due diligence requests to update any initial information that Anchorage provided prior to execution of this Agreement. Pursuant to Section 1.4 of the Agreement, Client shall have access to Technology Platform which provides monthly statements that show transactions records, balances, and holdings of Client Digital Assets which can be viewed by the Client's third-party accountants or consultants via the Technology Platform or Anchorage API as described in Section 2.3 of the Agreement.

12. General Provisions.

12.1. Independent Contractor. It is understood by the Parties that Anchorage is an independent contractor, and that this Agreement does not create or constitute a partnership, joint venture, or employment relationship between the Parties.

12.2. No Third Party Beneficiaries. This Agreement is not intended to and shall not be construed to give any Third Party any interest or rights (including, without limitation, any Third Party beneficiary rights) with respect to or in connection with any agreement or provision contained herein or contemplated hereby, except as otherwise expressly provided for in this Agreement.

12.3. [Reserved]

12.4. Force Majeure. Neither Party will be liable to the other Party for the failure to perform or delay in the

performance of its obligations under this Agreement to the extent such failure or delay is caused by or results from a Force Majeure Event. The affected Party will not be held liable by the other Party for such non-performance or delay as long as the fact of the occurrence of such Force Majeure Event is reasonably provable. In addition, Anchorage will not be liable to Client for any costs or expenses incurred by Client as a result of any Force Majeure Event. For the avoidance of doubt, a cybersecurity attack, hack, or other intrusion upon an Anchorage owned or controlled system, by a third party or by someone associated with Anchorage, is not a circumstance that is beyond Anchorage's reasonable control, to the extent such cybersecurity attack, hack, or other intrusion is due to Anchorage's failure to comply with its obligations under this Agreement.

12.5. Notices. All notices required or permitted under this Agreement will be in writing and delivered by courier, mail, electronic mail, or within the Anchorage application (except for service of legal process which shall be by courier). A Party's email addresses, or physical address may be changed from time to time by either Party by providing written notice to the other in the manner set forth above.

12.6. Execution in Counterparts and by Electronic Means. This Agreement may be executed in counterparts and by electronic means and the Parties agree that such electronic means and delivery will have the same force and effect as delivery of an original document with original signatures.

12.7. Entire Agreement; Amendment. This Agreement includes all exhibits, schedules, and attachments referenced herein, all of which are incorporated herein by this reference. This Agreement is the final, complete, and entire agreement of the Parties. There are no other promises or conditions in any other agreement, oral, or written. This Agreement supersedes and replace, as applicable, any prior promises, agreements, representations, undertakings, or implications whether made orally or in writing between the Parties related to the subject matter of this Agreement, including but not limited to, any prior Master Custody Services Agreements entered into between the Parties which shall be deemed terminated upon the execution of this Agreement. The Agreement may only be modified or amended in writing and signed by both Parties.

12.8. Remedies Cumulative. Each Party will have all of the rights and remedies provided by law in addition to the rights and remedies set forth in this Agreement and in any other agreement or writing between the Parties. All of a Party's rights and remedies are cumulative and may be exercised from time to time, and the pursuit of one right or remedy will not constitute an exclusive election or otherwise preclude or limit its pursuit of any other or additional right or remedy.

12.9. Severability. If any provision of this Agreement will be held to be invalid or unenforceable for any reason, the remaining provisions will continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provisions will be deemed to be written, construed and enforced as so limited.

12.10. Assignment. No Party may assign any of its rights under this Agreement or delegate its performance under this Agreement without the prior written consent of the other Party, such consent not to be unreasonably withheld; except that a Party may assign its rights and delegate its performance under this Agreement to: (i) any entity that acquires all or substantially all of its assets; (ii) any Affiliate that controls, is controlled by, or is under common control with Anchorage; (iii) any successor in a merger, acquisition, or reorganization, including any judicial reorganization; and (iv) any successor in a merger, acquisition, or reorganization, including any judicial reorganization, in each case provided that, in the case of an Anchorage assignment, such assignee or delegate is a "qualified custodian" under

applicable Laws. In the event any assignment under Section 12.10 (i) through (iv) occurs, Client may, at its sole discretion, terminate immediately with a written notice to the new entity assuming Anchorage's rights and obligations under this Agreement.

12.11. Use of Affiliates. Anchorage may use Anchorage Affiliates to provide certain Services as directed by Anchorage. Without limiting the generality of the foregoing, Anchorage hereby discloses that it is a subsidiary of Anchor Labs, Inc., which provides certain technology and administrative services to Anchorage in support of Anchorage's provision of Services hereunder, pursuant to an Intercompany Services Agreement between Anchorage and Anchor Labs, Inc. Anchorage is, and will at all times be, responsible for the acts and omissions of its Affiliates, including Anchor Labs, Inc., and all provisions under this Agreement that are applicable to Anchorage will apply equally to its Affiliates, including Anchor Labs, Inc. For the avoidance of doubt, this section does not apply to Anchorage's use of a Vendor, Fiat Institution, or other service provider.

12.12. No Waiver of Contractual Right. The failure of either Party to enforce any provision of this Agreement will not be construed as a waiver or limitation of that Party's right to subsequently enforce and compel strict compliance with every provision of this Agreement. A waiver or consent given on one occasion is effective only in that instance and will not be construed as a bar to or waiver of any other right on any other occasion.

12.13. Governing Law.This Agreement will be governed by and construed exclusively in accordance with the laws of the State of New York, without regard to its conflicts of laws provisions or rules. Subject to Section 11, the Parties hereby agree to submit to the exclusive jurisdiction of any appropriate court located in New York, New York, as a forum for litigation. Each of the Parties hereto hereby waives all right to trial by jury in any lawsuit, action, proceeding or counterclaim arising out of this Agreement.

12.14. Insurance. Anchorage shall obtain and maintain, at its sole expense, insurance coverage in such types and amounts that are compliant with the requirements of Schedule D to this Agreement.

12.15. Survival. Any expiration or termination of this Agreement will not affect any accrued claims, rights or liabilities of Parties, and all provisions which must survive to fulfill their intended purposes, or by their nature are intended to survive such expiration or termination will survive, including Sections 2 - 12, and the Schedules.

Daily balances are calculated in U.S. Dollars by applying closing prices, as provided by CryptoCompare.com at the close of each day (UTC), or if unavailable, other reliable, reputable third party pricing sources, selected at Anchorage's sole discretion, to the end of day holdings in the Account. If such source(s)' closing prices for certain Digital Assets are unavailable, or Anchorage reasonably determines that such prices are unreliable due to low or inconsistent trading volumes, Anchorage may use fixed pricing for such Digital Assets, which will be determined in Anchorage's reasonable sole discretion.
