GRAYSCALE ETHEREUM CLASSIC TRUST (ETC)

NOTES TO THE UNAUDITED FINANCIAL STATEMENTS

1. Organization

Grayscale Ethereum Classic Trust (ETC) (the “Trust”) is a Delaware Statutory Trust that was formed on April 18, 2017 and commenced operations on April 24, 2017. In general, the Trust holds Ethereum Classic (“ETC”) and, from time to time, issues common units of fractional undivided beneficial interest (“Shares”) (in minimum baskets of 100 Shares, referred to as “Baskets”) in exchange for ETC. The redemption of Shares is not currently contemplated and the Trust does not currently operate a redemption program. Subject to receipt of regulatory approval and approval by the Sponsor in its sole discretion, the Trust may in the future operate a redemption program. The Trust currently has no intention of seeking regulatory approval to operate an ongoing redemption program. The Trust’s investment objective is for the value of the Shares (based on ETC per Share) to reflect the value of ETC held by the Trust, less the Trust’s expenses and other liabilities. The Trust may also receive Incidental Rights and/or IR Virtual Currency as a result of the Trust’s investment in ETC, in accordance with the terms of the Trust Agreement.

Incidental Rights are rights to claim, or otherwise establish dominion and control over, any virtual currency or other asset or right, which rights are incident to the Trust’s ownership of ETC and arise without any action of the Trust, or of the Sponsor or Trustee on behalf of the Trust; IR Virtual Currency is any virtual currency tokens, or other asset or right, received by the Trust through the exercise (subject to the applicable provisions of the Trust Agreement) of any Incidental Right.

Grayscale Investments, LLC (“Grayscale” or the “Sponsor”) acts as the Sponsor of the Trust and is a wholly owned subsidiary of Digital Currency Group, Inc. (“DCG”). The Sponsor is responsible for the day-to-day administration of the Trust pursuant to the provisions of the Trust Agreement. Grayscale is responsible for preparing and providing annual and quarterly reports on behalf of the Trust to investors and is also responsible for selecting and monitoring the Trust’s service providers. As partial consideration for the Sponsor’s services, the Trust pays Grayscale a Sponsor’s Fee as discussed in Note 6. The Sponsor also acts as the sponsor and manager of other investment products including Grayscale Basic Attention Token Trust (BAT) (OTCQB: GBAT), Grayscale Bitcoin Trust (BTC) (OTCQX: GBTC), Grayscale Bitcoin Cash Trust (BCH) (OTCQX: BCHG), Grayscale Chainlink Trust (LINK) (OTCQB: GLNK), Grayscale Decentraland Trust (MANA) (OTCQX: MANA), Grayscale Ethereum Trust (ETH) (OTCQX: ETHE), Grayscale Filecoin Trust (FIL) (OTCQB: FILG), Grayscale Horizen Trust (ZEN) (OTCQX: HZEN), Grayscale Litecoin Trust (LTC) (OTCQX: LTCN), Grayscale Livepeer Trust (LPT) (OTCQB: GLIV), Grayscale Solana Trust (SOL), Grayscale Stellar Lumens Trust (XLM) (OTCQX: GXLM), Grayscale Zcash Trust (ZEC) (OTCQX: ZCSH), Grayscale Decentralized Finance (DeFi) Fund LLC, Grayscale Digital Large Cap Fund LLC (OTCQX: GDLC), and Grayscale Smart Contract Platform Ex Ethereum (ETH) Fund LLC, each of which is an affiliate of the Trust. The following investment products sponsored or managed by the Sponsor are also SEC reporting companies with their shares registered pursuant to Section 12(g) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”): Grayscale Bitcoin Trust (BTC), Grayscale Bitcoin Cash Trust (BCH), Grayscale Ethereum Trust (ETH), Grayscale Horizen Trust (ZEN), Grayscale Litecoin Trust (LTC), Grayscale Stellar Lumens Trust (XLM), Grayscale Zcash Trust (ZEC), and Grayscale Digital Large Cap Fund LLC. Grayscale Advisors, LLC, a Registered Investment Advisor and an affiliate of the Sponsor, is the advisor to the Grayscale Future of Finance (NYSE: GFOF) product.

Authorized Participants of the Trust are the only entities who may place orders to create or, if permitted, redeem Baskets. Genesis Global Trading, Inc. (“Genesis” or the “Authorized Participant”), a registered broker-dealer and wholly owned subsidiary of DCG, is the only Authorized Participant and is party to a participant agreement with the Sponsor and the Trust. Additional Authorized Participants may be added at any time, subject to the discretion of the Sponsor.

The custodian of the Trust is Coinbase Custody Trust Company, LLC (the “Custodian”), a third-party service provider. The Custodian is responsible for safeguarding the ETC, Incidental Rights, and IR Virtual Currency held by the Trust, and holding the private key(s) that provide access to the Trust’s digital wallets and vaults.

The transfer agent for the Trust (the “Transfer Agent”) is Continental Stock Transfer & Trust Company. The responsibilities of the Transfer Agent are to maintain creations, redemptions, transfers, and distributions of the Trust’s Shares which are primarily held in book-entry form.

On May 2, 2018, the Trust received notice that its Shares were qualified for public trading on the OTCQX U.S. Marketplace of the OTC Markets Group, Inc. (“OTCQX”). The Trust’s trading symbol on OTCQX is “ETCG” and the CUSIP number for its Shares is 38963Q107.

2. Summary of Significant Accounting Policies

In the opinion of management of the Sponsor of the Trust, all adjustments (which include normal recurring adjustments) necessary to present fairly the financial position as of June 30, 2022 and December 31, 2021 and results of operations for the three and six months ended June 30, 2022 and 2021 have been made. The results of operations for the periods presented are not necessarily indicative of the

results of operations expected for the full year. These unaudited financial statements should be read in conjunction with the audited financial statements for the year ended December 31, 2021, included in the Company's Annual Report on Form 10-K.

The following is a summary of significant accounting policies followed by the Trust:

The financial statements have been prepared in accordance with generally accepted accounting principles in the United States ("GAAP"). The Trust qualifies as an investment company for accounting purposes pursuant to the accounting and reporting guidance under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 946, *Financial Services – Investment Companies*. The Trust uses fair value as its method of accounting for ETC in accordance with its classification as an investment company for accounting purposes. The Trust is not a registered investment company under the Investment Company Act of 1940. GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates and these differences could be material.

The Trust conducts its transactions in ETC, including receiving ETC for the creation of Shares and delivering ETC for the redemption of Shares and for the payment of the Sponsor's Fee. At this time, the Trust is not accepting redemption requests from shareholders. Since its inception, the Trust has not held cash or cash equivalents.

Principal Market and Fair Value Determination

To determine which market is the Trust's principal market (or in the absence of a principal market, the most advantageous market) for purposes of calculating the Trust's net asset value ("NAV"), the Trust follows ASC 820-10, which outlines the application of fair value accounting. ASC 820-10 determines fair value to be the price that would be received for ETC in a current sale, which assumes an orderly transaction between market participants on the measurement date. ASC 820-10 requires the Trust to assume that ETC is sold in its principal market to market participants or, in the absence of a principal market, the most advantageous market. Market participants are defined as buyers and sellers in the principal or most advantageous market that are independent, knowledgeable, and willing and able to transact.

The Trust only receives ETC from the Authorized Participant and does not itself transact on any Digital Asset Markets. Therefore, the Trust looks to the Authorized Participant when assessing entity-specific and market-based volume and level of activity for Digital Asset Markets. The Authorized Participant transacts in a Brokered Market, a Dealer Market, Principal-to-Principal Markets and Exchange Markets, each as defined in the FASB ASC Master Glossary (collectively, "Digital Asset Markets"). The Authorized Participant, as a related party of the Sponsor, provides information about the Digital Asset Markets on which it transacts to the Trust.

In determining which of the eligible Digital Asset Markets is the Trust's principal market, the Trust reviews these criteria in the following order:

First, the Trust reviews a list of Digital Asset Markets and excludes any Digital Asset Markets that are non-accessible to the Trust and the Authorized Participant. The Trust or the Authorized Participant does not have access to Digital Asset Exchange Markets that do not have a BitLicense and has access only to non-Digital Asset Exchange Markets that the Authorized Participant reasonably believes are operating in compliance with applicable law, including federal and state licensing requirements, based upon information and assurances provided to it by each market.

Second, the Trust sorts the remaining Digital Asset Markets from high to low by entity-specific and market-based volume and level of activity of ETC traded on each Digital Asset Market in the trailing twelve months.

Third, the Trust then reviews intra-day pricing fluctuations and the degree of variances in price on Digital Asset Markets to identify any material notable variances that may impact the volume or price information of a particular Digital Asset Market.

Fourth, the Trust then selects a Digital Asset Market as its principal market based on the highest market-based volume, level of activity and price stability in comparison to the other Digital Asset Markets on the list. Based on information reasonably available to the Trust, Exchange Markets have the greatest volume and level of activity for the asset. The Trust therefore looks to accessible Exchange Markets as opposed to the Brokered Market, Dealer Market and Principal-to-Principal Markets to determine its principal market. As a result of the analysis, an Exchange Market has been selected as the Trust's principal market.

The Trust determines its principal market (or in the absence of a principal market the most advantageous market) annually and conducts a quarterly analysis to determine (i) if there have been recent changes to each Digital Asset Market's trading volume and level of activity in the trailing twelve months, (ii) if any Digital Asset Markets have developed that the Trust has access to, or (iii) if recent changes to each Digital Asset Market's price stability have occurred that would materially impact the selection of the principal market and necessitate a change in the Trust's determination of its principal market.

The cost basis of the investment in ETC recorded by the Trust for financial reporting purposes is the fair value of ETC at the time of transfer. The cost basis recorded by the Trust may differ from proceeds collected by the Authorized Participant from the sale of the corresponding Shares to investors.

Investment Transactions and Revenue Recognition

The Trust considers investment transactions to be the receipt of ETC for Share creations and the delivery of ETC for Share redemptions or for payment of expenses in ETC. At this time, the Trust is not accepting redemption requests from shareholders. The Trust records its investment transactions on a trade date basis and changes in fair value are reflected as net change in unrealized appreciation or depreciation on investments. Realized gains and losses are calculated using the specific identification method. Realized gains and losses are recognized in connection with transactions including settling obligations for the Sponsor's Fee in ETC.

Fair Value Measurement

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the 'exit price') in an orderly transaction between market participants at the measurement date.

GAAP utilizes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Trust. Unobservable inputs reflect the Trust's assumptions about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

- Level 1 – Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Trust has the ability to access. Since valuations are based on quoted prices that are readily and regularly available in an active market, these valuations do not entail a significant degree of judgment.
- Level 2 – Valuations based on quoted prices in markets that are not active or for which significant inputs are observable, either directly or indirectly.
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of valuation techniques and observable inputs can vary by investment. To the extent that valuations are based on sources that are less observable or unobservable in the market, the determination of fair value requires more judgment. Fair value estimates do not necessarily represent the amounts that may be ultimately realized by the Trust.

3. Fair Value of Ethereum Classic

ETC is held by the Custodian on behalf of the Trust and is carried at fair value. As of June 30, 2022 and December 31, 2021, the Trust held 11,991,325.33700805 and 12,155,893.99048110 ETC, respectively.

The Trust determined the fair value per ETC to be \$14.50 and \$33.52 on June 30, 2022 and December 31, 2021, respectively, using the price provided at 4:00 p.m., New York time, by the Digital Asset Exchange Market considered to be the Trust's principal market (Coinbase Pro).

The following represents the changes in quantity of ETC and the respective fair value:

(Amounts in thousands, except for Ethereum Classic amounts)	Ethereum Classic	Fair Value

Balance at June 30, 2022	11,991,325.33700805	\$ 173,874

4. Creations and Redemptions of Shares

At June 30, 2022 and December 31, 2021, there were an unlimited number of Shares authorized by the Trust. The Trust creates (and, should the Trust commence a redemption program, redeems) Shares from time to time, but only in one or more Baskets. The creation and redemption of Baskets on behalf of investors are made by the Authorized Participant in exchange for the delivery of ETC to the Trust or the distribution of ETC by the Trust. The number of ETC required for each creation Basket or redemption Basket is determined by dividing (x) the number of ETC owned by the Trust at 4:00 p.m., New York time, on such trade date of a creation or redemption order, after deducting the number of ETC representing the U.S. dollar value of accrued but unpaid fees and expenses of the Trust, by (y) the number of Shares outstanding at such time and multiplying the quotient obtained by 100. Each Share represented approximately 0.8569 and 0.8687 of one ETC at June 30, 2022 and December 31, 2021, respectively. The decrease in the number of ETC represented by each Share is primarily a result of the periodic withdrawal of ETC to pay the Sponsor's Fee.

The cost basis of investments in ETC recorded by the Trust is the fair value of ETC, as determined by the Trust, at 4:00 p.m., New York time, on the date of transfer to the Trust by the Authorized Participant based on the creation Baskets. The cost basis recorded by the Trust may differ from proceeds collected by the Authorized Participant from the sale of each Share to investors. The Authorized Participant may realize significant profits buying, selling, creating, and, if permitted, redeeming Shares as a result of changes in the value of Shares or ETC.

At this time, the Trust is not operating a redemption program and is not accepting redemption requests. Subject to receipt of regulatory approval and approval by the Sponsor in its sole discretion, the Trust may in the future operate a redemption program. The Trust currently has no intention of seeking regulatory approval to operate an ongoing redemption program.

5. Income Taxes

The Sponsor takes the position that the Trust is properly treated as a grantor trust for U.S. federal income tax purposes. Assuming that the Trust is a grantor trust, the Trust will not be subject to U.S. federal income tax. Rather, if the Trust is a grantor trust, each beneficial owner of Shares will be treated as directly owning its pro rata Share of the Trust's assets and a pro rata portion of the Trust's income, gain, losses and deductions will "flow through" to each beneficial owner of Shares.

If the Trust were not properly classified as a grantor trust, the Trust might be classified as a partnership for U.S. federal income tax purposes. However, due to the uncertain treatment of digital assets, including forks, airdrops and similar occurrences for U.S. federal income tax purposes, there can be no assurance in this regard. If the Trust were classified as a partnership for U.S. federal income tax purposes, the tax consequences of owning Shares generally would not be materially different from the tax consequences described herein, although there might be certain differences, including with respect to timing. In addition, tax information reports provided to beneficial owners of Shares would be made in a different form. If the Trust were not classified as either a grantor trust or a partnership for U.S. federal income tax purposes, it would be classified as a corporation for such purposes. In that event, the Trust would be subject to entity-level U.S. federal income tax (currently at the rate of 21%) on its net taxable income and certain distributions made by the Trust to shareholders would be treated as taxable dividends to the extent of the Trust's current and accumulated earnings and profits.

In accordance with GAAP, the Trust has defined the threshold for recognizing the benefits of tax return positions in the financial statements as "more-likely-than-not" to be sustained by the applicable taxing authority and requires measurement of a tax position meeting the "more-likely-than-not" threshold, based on the largest benefit that is more than 50% likely to be realized. Tax positions not deemed to meet the "more-likely-than-not" threshold are recorded as a tax benefit or expense in the current period. As of and during the periods ended June 30, 2022 and December 31, 2021, the Trust did not have a liability for any unrecognized tax amounts. However, the

Sponsor's conclusions concerning its determination of "more-likely-than-not" tax positions may be subject to review and adjustment at a later date based on factors including, but not limited to, further implementation guidance, and on-going analyses of and changes to tax laws, regulations and interpretations thereof.

The Sponsor of the Trust has evaluated whether or not there are uncertain tax positions that require financial statement recognition and has determined that no reserves for uncertain tax positions related to federal, state and local income taxes existed as of June 30, 2022 or December 31, 2021.

6. Related Parties

The Trust considers the following entities, their directors, and employees to be related parties of the Trust: DCG, Genesis, Grayscale and CoinDesk Indices, Inc. As of both June 30, 2022 and December 31, 2021, 3,271,674 Shares of the Trust were held by related parties of the Trust.

The Sponsor's parent, an affiliate of the Trust, holds a minority interest in Coinbase, Inc., the parent company of the Custodian, that represents less than 1.0% of Coinbase, Inc.'s ownership.

In accordance with the Trust Agreement governing the Trust, the Trust pays a fee to the Sponsor, calculated as 2.5% of the aggregate value of the Trust's assets, less its liabilities (which include any accrued but unpaid expenses up to, but excluding, the date of calculation), as calculated and published by the Sponsor or its delegates in the manner set forth in the Trust Agreement (the "Sponsor's Fee"). The Sponsor's Fee accrues daily in U.S. dollars and is payable in ETC, monthly in arrears. The amount of ETC payable in respect of each daily U.S. dollar accrual will be determined by reference to the same U.S. dollar value of ETC used to determine such accrual. For purposes of these financial statements, the U.S. dollar value of ETC is determined by reference to the Digital Asset Exchange Market that the Trust considers its principal market as of 4:00 p.m., New York time, on each valuation date. The Trust held no Incidental Rights or IR Virtual Currency as of June 30, 2022 and December 31, 2021. No Incidental Rights or IR Virtual Currencies have been distributed in payment of the Sponsor's Fee during the three and six months ended June 30, 2022 and 2021.

As partial consideration for receipt of the Sponsor's Fee, the Sponsor is obligated under the Trust Agreement to assume and pay all fees and other expenses incurred by the Trust in the ordinary course of its affairs, excluding taxes, but including marketing fees; administrator fees, if any; custodian fees; transfer agent fees; trustee fees; the fees and expenses related to the listing, quotation or trading of the Shares on any secondary market (including customary legal, marketing and audit fees and expenses) in an amount up to \$600,000 in any given fiscal year; ordinary course legal fees and expenses; audit fees; regulatory fees, including, if applicable, any fees relating to the registration of the Shares under the Securities Act or the Exchange Act; printing and mailing costs; the costs of maintaining the Trust's website and applicable license fees (the "Sponsor-paid Expenses").

The Trust may incur certain extraordinary, non-recurring expenses that are not Sponsor-paid Expenses, including, but not limited to, taxes and governmental charges, expenses and costs of any extraordinary services performed by the Sponsor (or any other service provider) on behalf of the Trust to protect the Trust or the interests of shareholders (including in connection with any Incidental Rights and any IR Virtual Currency), any indemnification of the Custodian or other agents, service providers or counterparties of the Trust, the fees and expenses related to the listing, quotation or trading of the Shares on any secondary market (including legal, marketing and audit fees and expenses) to the extent exceeding \$600,000 in any given fiscal year and extraordinary legal fees and expenses, including any legal fees and expenses incurred in connection with litigation, regulatory enforcement or investigation matters (collectively "Additional Trust Expenses"). In such circumstances, the Sponsor or its delegate (i) will instruct the Custodian to withdraw from the Digital Asset Account ETC, Incidental Rights and/or IR Virtual Currency in such quantity as may be necessary to permit payment of such Additional Trust Expenses and (ii) may either (x) cause the Trust (or its delegate) to convert such ETC, Incidental Rights and/or IR Virtual Currency into U.S. dollars or other fiat currencies at the Actual Exchange Rate or (y) cause the Trust (or its delegate) to deliver ETC, Incidental Rights and/or IR Virtual Currency in kind in satisfaction of such Additional Trust Expenses.

Effective April 1, 2022, the Sponsor's Fee was lowered from 3.0% to 2.5%. The Sponsor has directed up to one-third of the Sponsor's Fee towards initiatives that support development, marketing, and other community efforts relating to the Ethereum Classic Network at the sole discretion of the Sponsor until April 2022. Historically, these amounts have been contributed to the Ethereum Classic Cooperative, a 501(c)(3) non-profit whose mission is to steward the development of the Ethereum Classic protocol and to support the growth of a mature ecosystem around the protocol. The Ethereum Classic Cooperative is governed by a board of directors, which has historically included Barry E. Silbert, Digital Currency Group, Inc.'s Chief Executive Officer, as well as another employee of the Sponsor. Effective April 1, 2022, the Sponsor no longer directed up to one-third of the Sponsor's Fee towards initiatives supporting the Ethereum Classic Network and Barry E. Silbert resigned from the Ethereum Classic Cooperative board of directors.

For the three months ended June 30, 2022 and 2021, the Trust incurred Sponsor's Fees of \$1,964,068 and \$5,053,490, respectively. For the six months ended June 30, 2022 and 2021, the Trust incurred Sponsor's Fees of \$4,767,539 and \$6,014,091, respectively. As of June 30, 2022 and December 31, 2021, there were no accrued and unpaid Sponsor's Fees. In addition, the Sponsor may pay Additional

Trust Expenses on behalf of the Trust, which are reimbursable by the Trust to the Sponsor. For the three and six months ended June 30, 2022 and 2021, the Sponsor did not pay any Additional Trust Expenses on behalf of the Trust.

On June 21, 2021, the Board of the Sponsor (the “Board”) approved the purchase by DCG, the parent company of the Sponsor, of up to \$50 million worth of Shares of the Trust. Subsequently, DCG authorized such purchase. On March 2, 2022, the Board approved the purchase by DCG of up to an aggregate total of \$200 million worth of Shares of the Trust and shares of any of the following five investment products the Sponsor also acts as the sponsor and manager of, including Grayscale Bitcoin Trust (BTC) (OTCQX: GBTC), Grayscale Bitcoin Cash Trust (BCH) (OTCQX: BCHG), Grayscale Digital Large Cap Fund LLC (OTCQX: GDLC), Grayscale Ethereum Trust (ETH) (OTCQX: ETHE), and Grayscale Stellar Lumens Trust (XLM) (OTCQX: GXLM). This increased DCG’s prior authorization to purchase up to \$50 million worth of Shares by up to a maximum of \$200 million. The Share purchase authorization does not obligate DCG to acquire any specific number of Shares in any period, and may be expanded, extended, modified, or discontinued at any time. From June 21, 2021 through June 30, 2022, DCG has purchased a total of \$45.3 million worth of Shares of the Trust.

7. Risks and Uncertainties

The Trust is subject to various risks including market risk, liquidity risk, and other risks related to its concentration in a single asset, ETC. Investing in ETC is currently highly speculative and volatile.

The net asset value of the Trust relates primarily to the value of ETC held by the Trust, and fluctuations in the price of ETC could materially and adversely affect an investment in the Shares of the Trust. The price of ETC has a limited history. During such history, ETC prices have been volatile and subject to influence by many factors, including the levels of liquidity. If Digital Asset Markets continue to experience significant price fluctuations, the Trust may experience losses. Several factors may affect the price of ETC, including, but not limited to, global ETC supply and demand, theft of ETC from global exchanges or vaults, competition from other forms of digital currency or payment services, global or regional political, economic or financial conditions, and other unforeseen events and situations.

The ETC held by the Trust are commingled and the Trust’s shareholders have no specific rights to any specific ETC. In the event of the insolvency of the Trust, its assets may be inadequate to satisfy a claim by its shareholders.

There is currently no clearing house for ETC, nor is there a central or major depository for the custody of ETC. There is a risk that some or all of the Trust’s ETC could be lost or stolen. There can be no assurance that the Custodian will maintain adequate insurance or that such coverage will cover losses with respect to the Trust’s ETC. Further, transactions in ETC are irrevocable. Stolen or incorrectly transferred ETC may be irretrievable. As a result, any incorrectly executed ETC transactions could adversely affect an investment in the Shares.

The Securities and Exchange Commission (the “SEC”) has stated that certain digital assets may be considered “securities” under the federal securities laws. The test for determining whether a particular digital asset is a “security” is complex and difficult to apply, and the outcome is difficult to predict. Public, though non-binding, statements by senior officials at the SEC have indicated that the SEC did not consider Bitcoin or Ethereum to be securities, and does not currently consider Bitcoin to be a security. The SEC staff has also provided informal assurances to a handful of promoters that their digital assets are not securities. On the other hand, the SEC has brought enforcement actions against the issuers and promoters of several other digital assets on the basis that the digital assets in question are securities.

If ETC is determined to be a “security” under federal or state securities laws by the SEC or any other agency, or in a proceeding in a court of law or otherwise, it may have material adverse consequences for ETC. For example, it may become more difficult for ETC to be traded, cleared and custodied as compared to other digital assets that are not considered to be securities, which could, in turn, negatively affect the liquidity and general acceptance of ETC and cause users to migrate to other digital assets. As such, any determination that ETC is a security under federal or state securities laws may adversely affect the value of ETC and, as a result, an investment in the Shares.

To the extent that ETC is determined to be a security, the Trust and the Sponsor may also be subject to additional regulatory requirements, including those under the Investment Company Act of 1940, and the Sponsor may be required to register as an investment adviser under the Investment Advisers Act of 1940. If the Sponsor determines not to comply with such additional regulatory and registration requirements, the Sponsor will terminate the Trust. Any such termination could result in the liquidation of the Trust’s ETC at a time that is disadvantageous to shareholders.

To the extent a private key required to access an ETC address is lost, destroyed or otherwise compromised and no backup of the private keys are accessible, the Trust may be unable to access the ETC controlled by the private key and the private key will not be capable of being restored by the Ethereum Classic Network. The processes by which ETC transactions are settled are dependent on the ETC peer-to-peer network, and as such, the Trust is subject to operational risk. A risk also exists with respect to previously unknown technical vulnerabilities, which may adversely affect the value of ETC.

The Trust relies on third party service providers to perform certain functions essential to its operations. Any disruptions to the Trust's or the Trust's service providers' business operations resulting from business restrictions, quarantines or restrictions on the ability of personnel to perform their jobs as a result of the COVID-19 pandemic could have an adverse impact on the Trust's ability to access critical services and would be disruptive to the operation of the Trust.

An individual shareholder's return, ratios, and per Share performance may vary from those presented above based on the timing of Share transactions. The amount shown for a Share outstanding throughout the period may not correlate with the Statement of Operations for the period due to the number of Shares issued in Creations occurring at an operational value derived from an operating metric as defined in the Trust Agreement.

Total return is calculated assuming an initial investment made at the net asset value at the beginning of the period and assuming redemption on the last day of the period.

9. Indemnifications

In the normal course of business, the Trust enters into certain contracts that provide a variety of indemnities, including contracts with the Sponsor and affiliates of the Sponsor, DCG and its officers, directors, employees, subsidiaries and affiliates, and the Custodian as well as others relating to services provided to the Trust. The Trust's maximum exposure under these and its other indemnities is unknown. However, no liabilities have arisen under these indemnities in the past and, while there can be no assurances in this regard, there is no expectation that any will occur in the future. Therefore, the Sponsor does not consider it necessary to record a liability in this regard.

10. Subsequent Events

As of the close of business on August 1, 2022, the fair value of ETC determined in accordance with the Trust's accounting policy was \$34.07 per ETC.

There are no known events that have occurred that require disclosure other than that which has already been disclosed in these notes to the financial statements.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

The following discussion and analysis of our financial condition and results of operations should be read together with, and is qualified in its entirety by reference to, our unaudited financial statements and related notes included elsewhere in this Quarterly Report, which have been prepared in accordance with generally accepted accounting principles in the United States ("U.S. GAAP"). The following discussion may contain forward-looking statements based on assumptions we believe to be reasonable. Our actual results could differ materially from those discussed in these forward-looking statements. Factors that could cause or contribute to these differences include, but are not limited to, those set forth under "Part II, Item 1A. Risk Factors" in this Quarterly Report, or in "Part I, Item 1A. Risk Factors" and "Forward-Looking Statements" or other sections of our Annual Report on Form 10-K for the year ended December 31, 2021.

Trust Overview

The Trust is a passive entity that is managed and administered by the Sponsor and does not have any officers, directors or employees. The Trust holds ETC and, from time to time on a periodic basis, issues Creation Baskets in exchange for deposits of ETC. As a passive investment vehicle, the Trust's investment objective is for the value of the Shares (based on ETC per Share) to reflect the value of ETC held by the Trust, determined by reference to the Index Price, less the Trust's expenses and other liabilities. To date, the Trust has not met its investment objective and the Shares quoted on OTCQX have not reflected the value of ETC held by the Trust, less the Trust's expenses and other liabilities, but instead have traded at both premiums and discounts to such value, which at times have been substantial. The Trust is not managed like a business corporation or an active investment vehicle.

Critical Accounting Policies and Estimates

Investment Transactions and Revenue Recognition

The Trust considers investment transactions to be the receipt of ETC for Share creations and the delivery of ETC for Share redemptions or for payment of expenses in ETC. At this time, the Trust is not accepting redemption requests from shareholders. The Trust records its investment transactions on a trade date basis and changes in fair value are reflected as net change in unrealized appreciation or depreciation on investments. Realized gains and losses are calculated using the specific identification method. Realized gains and losses are recognized in connection with transactions including settling obligations for the Sponsor's Fee in ETC.

Principal Market and Fair Value Determination

To determine which market is the Trust's principal market (or in the absence of a principal market, the most advantageous market) for purposes of calculating the Trust's NAV, the Trust follows Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820-10, which outlines the application of fair value accounting. ASC 820-10 determines fair value to be the price that would be received for ETC in a current sale, which assumes an orderly transaction between market participants on the measurement date. ASC 820-10 requires the Trust to assume that ETC is sold in its principal market to market participants or, in the absence of a principal market, the most advantageous market. Market participants are defined as buyers and sellers in the principal or most advantageous market that are independent, knowledgeable, and willing and able to transact.

The Trust only receives ETC from the Authorized Participant and does not itself transact on any Digital Asset Markets. Therefore, the Trust looks to the Authorized Participant when assessing entity-specific and market-based volume and level of activity for Digital Asset Markets. The Authorized Participant transacts in a Brokered Market, a Dealer Market, Principal-to-Principal Markets and Exchange Markets, each as defined in the FASB ASC Master Glossary. The Authorized Participant, as a related party of the Sponsor, provides information about the Digital Asset Markets on which it transacts to the Trust. In determining which of the eligible Digital Asset Markets is the Trust's principal market, the Trust reviews these criteria in the following order:

- First, the Trust reviews a list of Digital Asset Markets and excludes any Digital Asset Markets that are non-accessible to the Trust and the Authorized Participant(s). The Trust or the Authorized Participant does not have access to Digital Asset Exchanges that do not have a BitLicense and has access only to non-Digital Asset Exchange Markets that the Authorized Participant reasonably believes are operating in compliance with applicable law, including federal and state licensing requirements, based upon information and assurances provided to it by each market.
- Second, the Trust sorts the remaining Digital Asset Markets from high to low by entity-specific and market-based volume and activity of ETC traded on each Digital Asset Market in the trailing twelve months.
- Third, the Trust then reviews intra-day pricing fluctuations and the degree of variances in price on Digital Asset Markets to identify any material notable variances that may impact the volume or price information of a particular Digital Asset Market.
- Fourth, the Trust then selects a Digital Asset Market as its principal market based on the highest market volume, activity and price stability in comparison to the other Digital Asset Markets on the list. Based on information reasonably available to the Trust, Exchange Markets have the greatest volume and level of activity for the asset. The Trust therefore looks to accessible Exchange Markets as opposed to the Brokered Market, Dealer Market and Principal-to-Principal Markets to

determine its principal market. As a result of the aforementioned analysis, an Exchange Market has been selected as the Trust's principal market.

The Trust determines its principal market (or in the absence of a principal market the most advantageous market) annually and conducts a quarterly analysis to determine (i) if there have been recent changes to each Digital Asset Market's trading volume and level of activity in the trailing twelve months, (ii) if any Digital Asset Markets have developed that the Trust has access to, or (iii) if recent changes to each Digital Asset Market's price stability have occurred that would materially impact the selection of the principal market and necessitate a change in the Trust's determination of its principal market.

The cost basis of the investment in ETC recorded by the Trust for financial reporting purposes is the fair value of ETC at the time of transfer. The cost basis recorded by the Trust may differ from proceeds collected by the Authorized Participant from the sale of the corresponding Shares to investors.

Investment Company Considerations

The Trust is an investment company for GAAP purposes and follows accounting and reporting guidance in accordance with the FASB ASC Topic 946, *Financial Services – Investment Companies*. The Trust uses fair value as its method of accounting for ETC in accordance with its classification as an investment company for accounting purposes. The Trust is not a registered investment company under the Investment Company Act of 1940. GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates and these differences could be material.

Net realized and unrealized loss on investment in ETC for the period was driven by ETC price depreciation from \$47.20 per ETC as of March 31, 2022 to \$14.50 per ETC as of June 30, 2022. Net decrease in net assets resulting from operations was (\$395,656) for the three months ended June 30, 2022, which consisted of the net realized and unrealized loss on investment in ETC, plus the Sponsor's Fee of \$1,965. Net assets decreased to \$173,874 at June 30, 2022, a 69% decrease for the three-month period. The decrease in net assets resulted from the aforementioned ETC price depreciation and the withdrawal of approximately 74,976 ETC to pay the foregoing Sponsor's Fee.

Net decrease in net assets resulting from operations was (\$233,592) for the six months ended June 30, 2022, which consisted of the net realized and unrealized loss on investment in ETC, plus the Sponsor's Fee of \$4,768. Net assets decreased to \$173,874 at June 30, 2022, a 57% decrease for the six-month period. The decrease

in net assets resulted from the aforementioned ETC price depreciation and the withdrawal of approximately 164,569 ETC to pay the foregoing Sponsor's Fee.

Net realized and unrealized gain on investment in ETC for the six months ended June 30, 2021 was \$620,232 which includes a realized gain of \$4,630 on the transfer of ETC to pay the Sponsor's Fee and net change in unrealized appreciation on investment in ETC of \$615,602. Net increase in net assets resulting from operations was \$614,217 for the six months ended June 30, 2021, which consisted of the net realized and unrealized gain on investment in ETC, less the Sponsor's Fee of \$6,015. Net assets increased to \$686,537 at June 30, 2021, an 886% increase for the six-month period. The increase in net assets resulted from the aforementioned ETC price appreciation and the contribution of approximately 249,224 ETC with a value of \$2,716 to the Trust in connection with Share creations during the period, partially offset by the withdrawal of approximately 183,835 ETC to pay the foregoing Sponsor's Fee.

Cash Resources and Liquidity

The Trust has not had a cash balance at any time since inception. When selling ETC, Incidental Rights and/or IR Virtual Currency in the Digital Asset Market to pay Additional Trust Expenses, the Sponsor endeavors to sell the exact number of ETC, Incidental Rights and/or IR Virtual Currency needed to pay expenses in order to minimize the Trust's holdings of assets other than ETC. As a consequence, the Sponsor expects that the Trust will not record any cash flow from its operations and that its cash balance will be zero at the end of each reporting period. Furthermore, the Trust is not a party to any off-balance sheet arrangements.

In exchange for the Sponsor's Fee, the Sponsor has agreed to assume most of the expenses incurred by the Trust. As a result, the only ordinary expense of the Trust during the periods covered by this Quarterly Report was the Sponsor's Fee. Effective April 1, 2022, the Sponsor's Fee was lowered from 3.0% to 2.5%. The Trust is not aware of any trends, demands, conditions or events that are reasonably likely to result in material changes to its liquidity needs.

- (1) The Trust performed an assessment of the principal market at June 30, 2022 and 2021, and identified the principal market as Coinbase Pro.
- (2) As of June 30, 2022 and 2021 the NAV per Share was calculated using the fair value of ETC based on the price provided by Coinbase Pro, the Digital Asset Exchange that the Trust currently considers its principal market, as of 4:00 p.m., New York time, on the valuation date.
- (3) The Trust's Digital Asset Holdings per Share is derived from the Index Price as represented by the Index as of 4:00 p.m., New York time, on the valuation date. The Trust's Digital Asset Holdings per Share is calculated using a non-GAAP methodology where the price is derived from multiple Digital Asset Exchanges. See "Item 1. Business—Overview of the ETC Industry and Market—ETC Value—The Index and the Index Price" in the Trust's Annual Report on Form 10-K for a description of the Index

and the Index Price. The Digital Asset Exchanges used to calculate the Index Price as of June 30, 2022 were Coinbase Pro, Kraken, and Binance.US. As of June 30, 2021, the Digital Asset Exchanges used to calculate the Index Price consisted of Coinbase Pro, Kraken, Binance.US and Bittrex. See “Item 1. Business—Valuation of ETC and Determination of Digital Asset Holdings” in the Trust’s Annual Report on Form 10-K for a description of the Trust’s Digital Asset Holdings per Share.

For accounting purposes, the Trust reflects creations and the ETC receivable with respect to such creations on the date of receipt of a notification of a creation but does not issue Shares until the requisite number of ETC is received. At this time, the Trust is not accepting redemption requests from shareholders. Subject to receipt of regulatory approval from the SEC and approval by the Sponsor in its sole discretion, the Trust may in the future operate a redemption program. The Trust currently has no intention of seeking regulatory approval to operate an ongoing redemption program.

The Custodial Services (i) allow supported Digital Assets to be deposited from a public blockchain address to Client's Custodial Account and (ii) allow Client to withdraw supported Digital Assets from Client's Custodial Account to a public blockchain address Client controls pursuant to instructions Client provides through the Trust Company Site (each such transaction is a "**Custody Transaction**"). The Digital Assets stored in Client's Custodial Account are not commingled with Digital Assets that Trust Company custodies for its other clients or Digital Assets of Trust Company and are custodied pursuant to the terms of this Agreement and any addenda thereto. **Trust Company reserves the right to refuse to process or to cancel any pending Custody Transaction as required by law or in response to a subpoena, court order, or other binding government order or to enforce transaction, threshold, and condition limits, in each case as communicated to Client as soon as reasonably practicable where Trust Company is permitted to do so, or if Trust Company reasonably believes**

that the Custody Transaction may violate or facilitate the violation of an applicable law, regulation or applicable rule of a governmental authority or self-regulatory organization. Trust Company cannot reverse a Custody Transaction which has been broadcast to a Digital Asset network.

3.2. Instructions. Trust Company may act upon instructions ("**Instructions**") from Client's Authorized Representatives (or otherwise given on Client's behalf) in such manner as is currently utilized by Trust Company, or otherwise as notified to Client by Trust Company, provided that (i) Instructions shall continue in full force and effect until cancelled or superseded (except in respect of Instructions executed by Trust Company, which can no longer be cancelled), (ii) if Trust Company becomes aware of any Instructions that are illegible, unclear or ambiguous, Trust Company shall promptly notify Client and may refuse to execute such Instructions until any ambiguity or conflict has been resolved to its satisfaction, (iii) Trust Company may further refuse to execute Instructions if in Trust Company's reasonable opinion such Instructions are outside the scope of Trust Company's duties under this Agreement or are contrary to any applicable law, rule or other regulatory requirement (whether arising from any governmental authority or self-regulatory organization), and Trust Company will promptly notify Client of such refusal, and (iv) Trust Company may rely in the performance of its duties under this Agreement and without liability on its part, upon any Instructions given by Client's Authorized Representatives and upon any notice, request, consent, certificate or other instrument believed by it in good faith and in a commercially reasonable manner to be genuine and to be signed or furnished by the proper party or parties thereto, including (without limitation) Client or any of Client's Authorized Representatives. Client is responsible for losses resulting from inaccurate Instructions provided by Client (e.g., if Client provides the wrong destination address to Trust Company for executing a withdrawal transaction). Trust Company is responsible for losses resulting from its errors in executing a transaction (e.g., if Client provides the correct destination address for executing a withdrawal transaction, but Trust Company erroneously sends Client's Digital Assets to another destination address). Except as set forth in Section 3.17 herein, Trust Company shall not take any action with respect to an Incidental Asset (as defined in Section 3.17) that has not previously been abandoned by Grayscale Investment Product unless an Affirmative Action (as defined in Section 3.17) is taken with respect to such Incidental Asset and the Trust Company has specifically announced on the Trust Company website or through some other official public statement of Trust Company that Trust Company will support such Incidental Asset.

3.3. Digital Asset Deposits and Withdrawals. Trust Company processes supported Digital Asset deposits and withdrawals according to the Instructions received from Authorized Representatives, and Trust Company does not guarantee the identity of any Authorized Representative. Client should verify all transaction information prior to submitting Instructions to Trust Company. Client should manage and keep secure any and all information or devices associated with deposit and withdrawal verification procedures, including YubiKeys and passphrases or other security or confirmation information. Trust Company reserves the right to charge network fees (miner fees) to process a Digital Asset transaction on Client's behalf. Trust Company will calculate the network fee, if any, in its discretion, although Trust Company will always notify Client of the network fee at or before the time Client authorizes the transaction. Trust Company reserves the right to delay any Custody Transaction if it perceives a risk of fraud or illegal activity.

3.4. Processing of Custody Transactions; Availability of Custodial Account and Custodial Services. From the time Trust Company has verified the authorization of a complete set of Instructions to withdraw Digital Assets from Client's Custodial Account, Trust Company will have up to forty-eight (48) hours to process and complete such Instruction to withdraw Digital Assets from Client's Custodial Account and send those Digital Assets to the applicable Digital Asset network. An Instruction to withdraw Digital Assets will be considered to be received by Trust Company at the time of transmission of the Instruction from Client's Custodial Account.

Trust Company will ensure that Client initiated Instructions to deposit are processed in a timely manner but Trust Company makes no representations or warranties regarding the amount of time needed to complete processing which is dependent upon many factors outside of Trust Company's control.

Trust Company makes no other representations or warranties with respect to the availability and/or accessibility of the Digital Assets or the availability and/or accessibility of the Custodial Account or Custodial Services.

3.5. Safekeeping of Digital Assets. Trust Company shall use best efforts to keep in safe custody on behalf of Client all Digital Assets received by Trust Company. All Digital Assets credited to the Custodial Account shall:

- (i) be held in the Custodial Account at all times, and the Custodial Account shall be controlled by Trust Company;
- (ii) be labeled or otherwise appropriately identified as being held for Client;
- (iii) be held in the Custodial Account on a non-fungible basis;
- (iv) not be commingled with other Digital Assets held by Trust Company, whether held for Trust Company's own account or the account of other clients other than Client;
- (v) not without the prior written consent of Client be deposited or held with any third-party depositary, custodian, clearance system or wallet;
- (vi) for any Custodial Accounts maintained by Trust Company on behalf of Client, Trust Company will use best efforts to keep the private key or keys secure, and will not disclose such keys to Client or to any other individual or entity except to the extent that any keys are disclosed consistent with a standard of best efforts and as part of a multiple signature solution that would not result in the Grayscale Investment Product or Sponsor "storing, holding, or maintaining custody or control of" the Digital Assets "on behalf of others" within the meaning of the New York BitLicense Rule (23 NYCRR Part 200) as in effect as of June 24, 2015 such that it would require the Grayscale Investment Product or Sponsor to become licensed under such law.

3.6. Supported Digital Asset. The Custodial Services are available only in connection with those Digital Assets that Trust Company, in its sole discretion, decides to support. The Digital Assets that Trust Company supports may change from time to time. Prior to initiating a deposit of Digital Asset to Trust Company, Client must confirm that Trust Company offers Custodial Services for that specific Digital Asset. By initiating a deposit of Digital Asset to a Custodial Account, Client attests that Client has confirmed that the Digital Asset being transferred is a supported Digital Asset offered by Trust Company. Under no circumstances should Client attempt to use the Custodial Services to deposit or store Digital Assets in any forms that are not supported by Trust Company. Depositing or attempting to deposit Digital Assets that are not supported by Trust Company will result in such Digital Asset being unretrievable by Client and Trust Company. Trust Company assumes no obligation or liability whatsoever regarding any unsupported Digital Asset sent or attempted to be sent to it, or regarding any attempt to use the Custodial Services for Digital Assets that Trust Company does not support. To confirm which Digital Assets are supported by Trust Company, Client should login at <https://custody.coinbase.com> and carefully review the list of supported Digital Assets. Trust Company recommends that Client deposit a small amount of supported Digital Asset as a test prior to initiating a deposit of a significant amount of supported Digital Asset. Trust Company may from time to time determine types of Digital Asset that will be supported or cease to be supported by the Custodial Services. Trust Company shall provide Client with thirty (30) days' written notice before ceasing to support a Digital Asset, unless Trust Company is required to cease such support by court order, statute,

law, rule (including a self-regulatory organization rule), regulation, code, or other similar requirement, in which case written notice shall be provided as soon as reasonably practicable.

3.7. Advanced Protocols; No Staking Rewards or Voting. Unless specifically announced on the Trust Company [website](#) or through some other official public statement of Trust Company, Trust Company does not support airdrops, metacoins, colored coins, side chains, or other derivative, enhanced, or forked protocols, tokens, or coins which supplement or interact with a Digital Asset supported by Trust Company (collectively, “**Advanced Protocols**”). Client shall not use its Custodial Account to attempt to receive, request, send, store, or engage in any other type of transaction involving an Advanced Protocol. The Trust Company platform is not configured to detect and/or secure Advanced Protocol transactions, neither Client nor Trust Company will be able to retrieve any unsupported Advanced Protocol, and Trust Company assumes absolutely no liability, obligation or responsibility whatsoever in respect to Advanced Protocols.

Notwithstanding any agreement, addendum, functionality or services offered by Trust Company to the contrary, Client acknowledges and agrees that for purposes of the entire relationship between Trust Company and the Client, the Custodial Services provided by Trust Company to Client shall, in no way, include any services related to staking, participating in, and/or exercising any governance rights and/or powers with respect to any Digital Asset, including but not limited to voting, staking, validating, generating or approving blocks of transactions to be added to a particular blockchain, helping to secure a blockchain network or otherwise engaging with or participating on a particular blockchain network. Trust Company hereby disclaims (for itself, its affiliates, representatives, licensors and its suppliers) all responsibility for any participatory (governance or staking) rewards resulting from any act or omission by Trust Company. Except as expressly provided herein, Trust Company is not responsible or liable for any Digital Assets, tokens, rewards, keys, wallets or other assets that Client attempts to stake, transfer, receive, access or otherwise uses or misuses in connection with or related to Client's use of the Custodial Services, including without limitation any losses or damages resulting from slashing penalties. Client acknowledges and agrees that any participatory (governance or staking) rewards from a particular blockchain network are not available by using the Custodial Services and that Client will not receive any participatory or staking rewards in connection with the Custodial Services.

3.8. Operation of Digital Asset Protocols. Trust Company does not own or control the underlying software protocols which govern the operation of Digital Assets supported on the Trust Company platform. In general, the underlying protocols are open source and anyone can use, copy, modify, and distribute them. By using the Custodial Services, Client acknowledges and agrees (i) that Trust Company is not responsible for operation of the underlying protocols and that Trust Company makes no guarantee of their functionality, security, or availability; (ii) that some underlying protocols are subject to consensus-based proof of stake validation methods which may allow, by virtue of their governance systems, changes to the associated blockchain or digital ledger (“**Governance Modifiable Blockchains**”), and that any Custody Transactions made by Client validated on such Governance Modifiable Blockchains may be affected accordingly; and (iii) that the underlying protocols are subject to sudden changes in operating rules (a/k/a “**forks**”), and that such forks may materially affect the value, function, and/or even the name of the Digital Asset Client stores in Client's Custodial Account. In the event of a fork, Client agrees that Trust Company may temporarily suspend Trust Company operations; provided that Trust Company shall (where practical) provide advance written notice to Client promptly upon becoming aware of such a potential suspension, and that Trust Company may, in its sole discretion, decide whether or not to support (or cease supporting) either branch of the forked protocol. Client acknowledges and agrees that Trust Company assumes absolutely no liability, obligation or responsibility whatsoever in respect to the operation of underlying software protocols, transactions affected by Governance Modifiable Blockchains, or an unsupported branch of a forked protocol, and, accordingly, Client acknowledges and assumes the risk of the same.

3.9. Use of the Custodial Services. Client acknowledges and agrees that Trust Company may monitor use of the Custodial Account and the Custodial Services and the resulting information may only be utilized, reviewed, retained and or disclosed by Trust Company as is necessary for its internal purposes or in accordance with the rules of any applicable legal, regulatory or self-regulatory organization or as otherwise may be required to comply with relevant law, sanctions programs, legal process or government request.

3.10. Privacy and Security. Trust Company shall only use Client's non-personal information in order to provide Services to the Client as outlined in this Agreement, to comply with its legal obligations, and for research and development. Trust Company may only disclose Client information externally in an anonymized or aggregated form that does not identify Client and is stripped of any persistent identifiers (such as device identifiers, IP addresses, and cookie IDs). Coinbase, Inc.'s Privacy Policy, available at <https://www.coinbase.com/legal/privacy>, sets out Trust Company's use of any personal data collected by Trust Company relating to any natural persons, which may include representatives of the Client.

Trust Company has implemented and will maintain a reasonable information security program that includes policies and procedures that are reasonably designed to safeguard Trust Company's electronic systems and Client's Confidential Information from, among other things, unauthorized access or misuse. In the event of a Data Security Event (defined below), Trust Company shall promptly (subject to any legal or regulatory requirements) notify Client in writing at the email addresses listed opposite each Authorized Representative's name on Schedule B and such notice shall include the following information: (i) the timing and nature of the Data Security Event, (ii) the information related to Client that was compromised, including the names of any individuals' acting on Client's behalf in his or her corporate capacity whose personal information was compromised, (iii) when the Data Security Event was discovered, and (iv) remedial actions that have been taken and that Trust Company plans to take. "**Data Security Event**" is defined as any event whereby (a) an unauthorized person (whether within Trust Company or a third party) acquired or accessed Client's information, (b) Client's information is otherwise lost, stolen or compromised or (c) Trust Company's Chief Information Security Officer, or other senior security officer of a similar title, is no longer employed by Trust Company.

3.11. Confidentiality. The parties agree that the recipient of any non-public, confidential or proprietary information of the other party (including without limitation, information concerning any purchaser of any securities issued by the Grayscale Investment Product (each a "**Beneficiary**") (including, without limitation, the identity of such Beneficiary, the fact that such Beneficiary is the beneficial owner of any Digital Assets, any information concerning its securities or cash positions, any banking or other relationships between Trust Company and such Beneficiary or any information from which any such information could be derived by a third party)), the contents of any document or other information (including, without limitation, any information relating to, or transactions involving, Digital Assets, trade secrets or other confidential commercial information), and information with respect to profit margins, and profit and loss information) and information relating to the other party's business operations or business relationships or pursuant to this Agreement, including without limitation the pricing schedule ("**Confidential Information**") will not disclose such Confidential Information to any third party except to such party's officers, directors, agents, employees, consultants, contractors and professional advisors who needs to know the Confidential Information for the purpose of assisting in the performance of the Agreement and who are informed of, and agree to be bound by obligations of confidentiality no less restrictive than those set forth herein, and will protect such Confidential Information from unauthorized use and disclosure. Each party shall use any Confidential Information that it receives pursuant to or in connection with this Agreement solely for performance of this Agreement, and no other purpose.

Confidential Information shall not include any (i) information that is or becomes generally publicly available through no fault of the recipient, (ii) information that the recipient obtains from a third party (other than in connection with this Agreement) that, to recipient's best knowledge, is not bound by a confidentiality agreement prohibiting such disclosure; (iii) information that is independently developed or acquired by the recipient without the use of Confidential Information provided by the disclosing party; (iv) disclosure with the prior written consent of the disclosing party; or (v) disclosures which are required by applicable law, rule or regulation, provided that the disclosing party comply with the notification procedures set forth in this Section 3.11. For the avoidance of doubt, the parties acknowledge that the terms of this Agreement are Confidential Information.

Notwithstanding the foregoing, each party may disclose Confidential Information of the other party to the extent required by a court of competent jurisdiction or governmental authority or otherwise required by law; provided, however, the party making such required disclosure shall first notify the other party (to the extent legally permissible) and shall afford the other party a reasonable opportunity to seek confidential treatment if it wishes to do so. For the purposes of this Agreement, no affiliate of either party shall be considered a third party; provided that such party causes such affiliate to undertake the obligations in this section. All documents and other tangible objects containing or representing Confidential Information and all copies or extracts thereof or notes derived therefrom that are in the possession or control of recipient shall be and remain the property of the disclosing party and shall be promptly returned to the disclosing party or destroyed, each upon the disclosing party's request; provided, however, notwithstanding the foregoing, the recipient may retain one (1) copy of Confidential Information if (a) required by law or regulation, or (b) retained pursuant to a bona fide and consistently applied document retention policy or regular backup of data storage systems; provided, further, that in either case, any Confidential Information so retained shall remain subject to the confidentiality obligations of this Agreement. For the avoidance of doubt, disclosures to the extent permitted under this Section 3.11 are subject to the requirements and limitations set forth in Section 4.1.2.

Trust Company shall not contact or communicate with any Beneficiary concerning the services provided under this Agreement without the prior written consent of Client, except as required by law, legal process or regulation.

3.12. Account Statements. Trust Company will provide Client with an electronic account statement: (1) every calendar quarter, at a minimum; or (2) for any month in which Client deposited or withdrew Digital Assets. Each account statement will identify the amount of each Digital Asset in Client's Custodial Account at the end of the period and set forth all transactions in Client's account during that period. Trust Company will send a notice to the email of record given to Trust Company when a new account statement is made available.

3.13. Independent Verification. If Client is subject to Rule 206(4)-2 under the Investment Advisers Act of 1940, Trust Company shall, upon written request, provide Client authorized independent public accountant confirmation of or access to information sufficient to confirm (i) Client's Digital Assets as of the date of an examination conducted pursuant to Rule 206(4)-2(a)(4), and (ii) Client's Digital Assets are held either in a separate account under Client's name or in accounts under Client's name as agent or trustee for Client's clients.

3.14. Third-Party Payments. The Custodial Services are not intended to facilitate third-party payments of any kind. As such, Trust Company has no control over, or liability for, the delivery, quality, safety, legality or any other aspect of any goods or services that Client may purchase or sell to or from a

third party (including other users of Custodial Services) involving Digital Assets that Client intends to store, or have stored, in Client's Custodial Account.

3.15. Authorized Participants. Subject to any legal and regulatory requirements, in order to support Client's ordinary course of deposits and withdrawals, which involves, or will in the future involve, deposits from and withdrawals to Digital Asset accounts owned by a person that is an "Authorized Participant" of the Grayscale Investment Product within the meaning of an authorized participant agreement between such person and the Grayscale Investment Product (each a "**Client Authorized Participant**"), Trust Company will use commercially reasonable efforts to cooperate with Client to design and put in place via the Custodial Services a secure procedure to allow Client Authorized Participants to receive a Digital Asset address for deposits by such Client Authorized Participants, and to initiate withdrawals to Digital Asset addresses controlled by such Client Authorized Participants.

3.16. Location of Digital Assets. The Location of the Digital Assets shall be the United States. Trust Company shall acquire written approval of Client prior to changing the Location of the Digital Assets outside of the United States, except in the event of a security or disaster recovery event necessitating immediate remediation, in which case Trust Company will provide notice to Client as soon as reasonably practicable. "Location" means, with respect to any Digital Assets, the jurisdiction in which Trust Company deems such Digital Assets to be present.

3.17. Prospective Abandonment Grayscale Investment Product will abandon irrevocably for no direct or indirect consideration (each such abandonment, a "**Prospective Abandonment**"), effective immediately prior to any time at which Grayscale Investment Product creates shares or units (each such time, a "**Creation Time**"), all Incidental Assets of Grayscale Investment Product, *provided* that a Prospective Abandonment immediately prior to any Creation Time will not apply to any Incidental Asset if (i) Grayscale Investment Product has taken an Affirmative Action to acquire or abandon such Incidental Asset at any time prior to such Creation Time or (ii) such Incidental Asset has been subject to a previous Prospective Abandonment. Trust Company acknowledges that, as a consequence of a Prospective Abandonment, Grayscale Investment Product will have no right to receive any Incidental Asset that is subject to such Prospective Abandonment, and Trust Company will have no authority, pursuant to this Agreement or otherwise, to exercise, obtain or hold, as the case may be, any such Incidental Asset on behalf of Grayscale Investment Product. Grayscale Investment Product represents that it will take no action at any time that is inconsistent with a Prospective Abandonment and, without limiting the generality of the foregoing, that it will not accept any future delivery of any abandoned Incidental Asset, that it will not accept any payment from any person in respect of any abandoned Incidental Asset and that it will not represent to any person or in any context that it has any remaining rights with respect to any abandoned Incidental Asset.

"**Affirmative Action**" is defined as the Sponsor's written notification to Trust Company of Grayscale Investment Product's intention (i) to acquire and/or retain an Incidental Asset or (ii) to abandon, with effect prior to the relevant Creation Time, an Incidental Asset.

"**Incidental Asset**" is defined as any digital asset or other asset, and any right of Grayscale Investment Product to acquire any digital asset or other asset, that has arisen out of Grayscale Investment Product's ownership of Digital Assets, whether through a fork, airdrop or similar occurrence, without any action on the part of Grayscale Investment Product or its trustee or the Sponsor on its behalf.

4. GENERAL USE, PROHIBITED USE, AND TERMINATION.

4.1.1 Trust Company Site and Content. Trust Company hereby grants Client a limited, nonexclusive, nontransferable, non-sublicensable, revocable, royalty-free license, subject to the terms of this Agreement, to access and use the Trust Company Site and related content, materials, information (collectively, the “Content”) solely for approved purposes as permitted by Trust Company from time to time. Any other use of the Trust Company Site or Content is expressly prohibited and all other right, title, and interest in the Trust Company Site or Content is and will remain exclusively the property of Trust Company and its licensors. Client shall not copy, transmit, distribute, sell, license, reverse engineer, modify, publish, or participate in the transfer or sale of, create derivative works from, or in any other way exploit any of the Content, in whole or in part. “custody.coinbase.com,” “Coinbase,” “Coinbase Custody,” “Trust Company” and all logos related to the Custodial Services or displayed on the Trust Company Site are either trademarks or registered marks of Trust Company or its licensors. Client may not copy, imitate or use them without Trust Company’s prior written consent.

4.1.2 Limited License of Trust Company Brand. Notwithstanding Section 6.1 of this Agreement, during the term of this Agreement Trust Company hereby grants to Client a nonexclusive, non-transferable, non-sublicensable, revocable, and royalty-free right, subject to the terms of this Agreement, to display, in accordance with Trust Company’s brand guidelines, Trust Company’s trademark and logo as set forth on Exhibit A hereto, or otherwise refer to its name (the “Trust Company Brand”), for the sole and limited purpose of identifying Trust Company as a provider of Custodial Services to Client on Client’s website or to investors or the public, as required by its investment activities. Client may also use the Trust Company Brand in published form, including but not limited to investor or related marketing materials using only the content pre-approved by Trust Company (“Pre-Approved Marketing Content”) as set forth in Exhibit A hereto. Client (1) shall not deviate from nor modify the Pre-Approved Marketing Content, except as provided in Exhibit A, and (2) shall not make any representations or warranties regarding the Custodial Services provided by Trust Company (other than factually accurate statements that Trust Company is a provider of Custodial Services). Client acknowledges that it shall not acquire any right of ownership to any Trust Company copyrights, patents, trade secrets, trademarks, trade dresses, service marks, or other intellectual property rights, and further agrees that it will cease using any materials that bear the Trust Company Brand upon termination of this Agreement. All uses of the Trust Company Brand hereunder shall inure to the benefit of Trust Company and Client shall not do or cause to be done any act or thing that may in any way adversely affect any rights of Trust Company in and to the Trust Company Brand or otherwise challenge the validity of the Trust Company Brand or any application for registration thereof, or any trademark registration thereof, or any rights therein. Notwithstanding the foregoing, Trust Company shall retain the right to request that Client modify or terminate its use of the Trust Company Brand if Trust Company, in its sole and absolute discretion, disapproves of Client’s use of the Trust Company Brand.

4.2. Website Accuracy. Although Trust Company intends to provide accurate and timely information on the Trust Company Site, the Trust Company Site (including, without limitation, the Content) may not always be entirely accurate, complete, or current and may also include technical inaccuracies or typographical errors. In an effort to continue to provide Client with as complete and accurate information as possible, information may be changed or updated from time to time without notice, including without limitation information regarding Trust Company policies, products and services. Accordingly, Client should verify all information before relying on it, and all decisions based on information contained on the Trust Company Site are Client’s sole responsibility and Trust Company shall have no liability for such decisions. Links to third-party materials (including without limitation websites) may be provided as a convenience but are not controlled by Trust Company. Trust Company is not responsible for any aspect of

the information, content, or services contained in any third-party materials or on any third-party sites accessible from or linked to the Trust Company Site.

4.3. Third-Party or Non-Permissioned Use. Except for fund administrators, Client shall not grant permission to a third party or non-permissioned user to access or connect to Client's Custodial Account, either through the third party's product or service or through the Trust Company Site. Client acknowledges that granting permission to a third party or non-permissioned user to take specific actions on Client's behalf does not relieve Client of any of Client's responsibilities under this Agreement and may violate the terms of this Agreement. Client is fully responsible for all acts or omissions of any third party or non-permissioned user with access to Client's Custodial Account, other than Trust Company. Further, Client acknowledges and agrees that Client will not hold Trust Company responsible for, and will indemnify Trust Company from, any liability arising out of or related to any act or omission of any third party or non-permissioned user with access to Client's Custodial Account, except to the extent of Trust Company's fraud, gross negligence or willful misconduct. Client must notify Trust Company immediately after becoming aware of a third party or non-permissioned user accessing or connecting to Client's Custodial Account by contacting Client's Custodial Account representative or by emailing custody@coinbase.com from the email address associated with Client's Custodial Account.

4.4. Prohibited Use. Client represents and warrants that Client will not use the Custodial Services or Custodial Account for any Prohibited Use as set forth on Appendix 1 hereto.

4.5.1 Termination During the Renewal Term. During the Renewal Term, either party may terminate this Agreement for Cause (as defined below) at any time by written notice to the other party, effective immediately, or on such later date as may be specified in the notice.

"Cause" is defined as if:

- (i) such other party commits any material breach of any of its obligations under this Agreement;
- (ii) such other party is adjudged bankrupt or insolvent, or there is commenced against such party a case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or such party files an application for an arrangement with its creditors, seeks or consents to the appointment of a receiver, administrator or other similar official for all or any substantial part of its property, admits in writing its inability to pay its debts as they mature, or takes any corporate action in furtherance of any of the foregoing, or fails to meet applicable legal minimum capital requirements; or
- (iii) with respect to Client's right to terminate, any applicable law, rule or regulation or any change therein or in the interpretation or administration thereof has or may have a material adverse effect on Client or the rights of Client or any Beneficiary with respect to any services covered by this Agreement.

Additionally, in the event that Client forms the view, acting reasonably and based on material and objective facts and circumstances, that an event or cumulative effect of a series of events has occurred at Trust Company (or at Trust Company's sister company Coinbase Inc.) that Client reasonably believes represents substantial risk to Client (whether reputationally or otherwise), Client's senior executives shall escalate the matter to Trust Company's senior executives and the Parties will promptly meet to discuss a resolution to the matter in good faith. Following such discussion, Trust Company shall have thirty (30) days to cure such event to the reasonable resolution of Client, provided such cure is possible. If Trust Company is unable to cure within this time period, or if Client reasonably holds the position that no practical solution exists to prevent material injury to its business (reputationally or otherwise) in light of such an adverse

event, Client may provide written notice to Trust Company to remove the Majority Obligation and the Client Usage Profile requirements herein, upon written notice by Client to Trust Company, with the termination of the Majority Obligation and the Client Usage Profile becoming effective on the date provided in such notice. For the avoidance of doubt, changes that generally impact the digital assets markets at large shall not apply to the foregoing, except to the extent directly related to Trust Company. In the event of the termination of the Majority Obligation and the Client Usage Profile, Client shall have a right to terminate this Agreement upon thirty (30) days' notice and Trust Company shall have a right to terminate this Agreement upon ninety (90) days' notice.

4.5.2 Termination After the Renewal Term. After the Renewal Term, either party may terminate this Agreement (i) upon ninety (90) days' prior written notice to the other party and (ii) for Cause at any time by written notice to the other party, effective immediately, or on such later date as may be specified in the notice.

4.5.3 Renewal. Upon the expiry of the Renewal Term, this Agreement shall automatically renew for successive terms of one (1) year (each a "Follow-On Renewal Term"), unless either party elects not to renew, by providing no less than thirty (30) days' written notice to the other party prior to the expiration of the Renewal Term or the then-current Follow-On Renewal Term, or unless terminated earlier as provided herein.

Notwithstanding the foregoing, Client may cancel Client's Custodial Account at any time by withdrawing all balances and contacting Trust Company at custody@coinbase.com. Client will not be charged for canceling Client's Custodial Account, although Client will be required to pay any outstanding amounts owed to Trust Company for the remaining months of the Renewal Term at a rate equivalent to the average Fee paid for the months prior to Client's cancellation. Client authorizes Trust Company to cancel or suspend any pending deposits or withdrawals at the time of cancellation. Upon termination of this Agreement, Trust Company shall promptly upon Client's order deliver or cause to be delivered to Client all Digital Assets held or controlled by Trust Company as of the effective date of termination, together with such copies of the records maintained pursuant to Section 9.1 and as Client requests in writing.

4.6. Suspension, Termination, and Cancellation. Trust Company may: (a) suspend or restrict Client's access to the Custodial Services, and/or (b) deactivate, terminate or cancel Client's Custodial Account if:

- Trust Company is so required by a facially valid subpoena, court order, or binding order of a government authority;
- Client uses Client's Custodial Account in connection with a Prohibited Use or Prohibited Business, as set forth in Appendix I hereto;
- Client's Custodial Account activity results in a heightened risk of legal or regulatory non-compliance associated with Client's Custodial Account;
- Client circumvents Trust Company's controls, including, but not limited to, abusing promotions which Trust Company may offer from time to time, or otherwise making a material misrepresentation of Client's Custodial Account; or
- Client materially breaches the terms of this Agreement.

Except as set forth above, Trust Company shall not suspend Client's access to the Custodial Account, and any suspension of Client's access to the Custodial Account shall constitute a breach of this Agreement.

Notwithstanding the foregoing, in the event that Client fails to maintain its “Client Usage Profile”² (as defined below) (and, specifically for (ii) of the Client Usage Profile, for 60 or more consecutive calendar days), Trust Company shall have the option to (a) suspend or restrict Client’s access to the Custodial Services, and/or (b) deactivate, terminate or cancel Client’s Custodial Account. In the event that Trust Company elects to exercise the right set forth in this paragraph, Trust Company shall provide Client with at least thirty (30) days’ prior written notice. In the event Trust Company provides such notice, Trust Company agrees to work in good faith with Client to first attempt to negotiate and amend the terms of this Agreement to reflect an updated Client Usage Profile. For the avoidance of doubt, the Client Usage Profile as set forth in this paragraph represents a fundamental term of the Agreement on which other terms of the Agreement are based.

If Trust Company suspends or closes Client’s Custodial Account, or terminates Client’s use of the Custodial Services for the reasons listed above, Trust Company will provide Client with notice of Trust Company’s actions unless a court order or other legal or regulatory process prohibits Trust Company from providing Client with such notice. Client acknowledges that Trust Company’s decision to take certain actions described in this Section 4.6 may be based on confidential criteria that are essential to Trust Company’s risk management and security protocols. Client agrees that Trust Company is under no obligation to disclose the details of its risk management and security procedures to Client.

Client will be permitted to withdraw Digital Assets associated with Client’s Custodial Account for ninety (90) days after Custodial Account deactivation or cancellation unless such withdrawal is otherwise prohibited (i) under the law, including but not limited to applicable sanctions programs, or (ii) by a facially valid subpoena, court order, or binding order of a government authority.

4.7. Relationship of the Parties. Nothing in this Agreement shall be deemed or is intended to be deemed, nor shall it cause, Client and Trust Company to be treated as partners, joint ventures, or otherwise as joint associates for profit, or either Client or Trust Company to be treated as the agent of the other.

⁽²⁾For purposes of this Agreement, the parties hereto agree that the term “Client Usage Profile” shall mean a client of Trust Company that: (i) holds Digital Assets with Trust Company primarily in dedicated cold storage custody, (ii) holds Digital Assets with Trust Company whose total USD value at all times is not less than USD [***] (unless the broader Digital Asset market is impacted by a significant drawdown of over fifty percent (50%) or more (as measured on coinmarketcap.com) from the total market cap of the Digital Asset market as of the date of this Agreement, in which case the [***] threshold set forth above will be automatically lowered to USD [***] until the total Digital Asset market cap goes back above the total market cap as of the date of this Agreement); similarly, should the broader Digital Asset market increase over fifty percent (50%) or more (as measured on coinmarketcap.com) from the total market cap of the Digital Asset market as of the date of this Agreement, the [***] threshold set forth above will be automatically raised to USD [***], and (iii) effects withdrawals of Digital Assets generally for the limited purposes of the payment of its management fees.

4.8. Password Security; Contact Information. Client is responsible for maintaining adequate security and control of any and all IDs, passwords, hints, personal identification numbers (PINs), API keys or any other codes that Client uses to access the Custodial Services. Any loss or compromise of the foregoing information and/or Client's personal information may result in unauthorized access to Client's Custodial Account by third-parties and the loss or theft of any Digital Assets held in Client's Custodial Account. Client is responsible for keeping Client's email address and telephone number up to date in Client's Custodial Account profile in order to receive any notices or alerts that Trust Company may send Client. Trust Company **assumes no responsibility for any loss that Client may sustain due to compromise of Custodial Account login credentials due to no fault of Trust Company and/or failure to reasonably follow or act on any notices or alerts that Trust Company may send to Client in accordance with this Agreement.** In the event Client believes Client's Custodial Account information has been compromised, Client must contact Trust Company Support immediately at custody@coinbase.com.

4.9. Taxes. Client's deposit and withdrawal history is available by accessing Client's Custodial Account through the Trust Company Site or by contacting Client's account representative.

4.10. Additional Matters. Client acknowledges and agrees that the Custodial Services may be provided from time to time by, through or with the assistance of affiliates of or vendors to Trust Company. Client shall receive notice of any material change in the entities that provide the Custodial Services. Unless Client terminates this Agreement as permitted herein, any new agreements or amended terms and conditions, associated with such change shall be governed by Sections 8.2 and 8.3 herein.

5. TRUST COMPANY CONTACT INFORMATION AND DISPUTE RESOLUTION.

5.2. Arbitration. THE PARTIES AGREE AS FOLLOWS:

- ALL PARTIES TO THIS AGREEMENT ARE GIVING UP THE RIGHT TO SUE EACH OTHER IN COURT, INCLUDING THE RIGHT TO A TRIAL BY JURY, EXCEPT AS PROVIDED BY THE RULES OF THE ARBITRATION FORUM IN WHICH A CLAIM IS FILED.
- ARBITRATION AWARDS ARE GENERALLY FINAL AND BINDING; A PARTY'S ABILITY TO HAVE A COURT REVERSE OR MODIFY AN ARBITRATION AWARD IS VERY LIMITED.
- THE ABILITY OF THE PARTIES TO OBTAIN DOCUMENTS, WITNESS STATEMENTS AND OTHER DISCOVERY IS GENERALLY MORE LIMITED IN ARBITRATION THAN IN COURT PROCEEDINGS.

- THE ARBITRATORS DO NOT HAVE TO EXPLAIN THE REASON(S) FOR THEIR AWARD UNLESS, IN AN ELIGIBLE CASE, A REQUEST FOR AN EXPLAINED DECISION HAS BEEN SUBMITTED BY EITHER PARTY TO THE PANEL AT LEAST TWENTY (20) DAYS PRIOR TO THE FIRST SCHEDULED HEARING DATE.
- THE PANEL OF ARBITRATORS MAY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.
- THE RULES OF THE ARBITRATION FORUM IN WHICH THE CLAIM IS FILED, AND ANY AMENDMENTS THERETO, SHALL BE INCORPORATED INTO THIS AGREEMENT.

THE PARTIES AGREE THAT ALL CONTROVERSIES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE USE OF THE CUSTODIAL SERVICES, WHETHER ARISING PRIOR, ON, OR SUBSEQUENT TO THE DATE HEREOF, SHALL BE ARBITRATED. ANY ARBITRATION UNDER THIS AGREEMENT SHALL BE IN ACCORDANCE WITH THE AMERICAN ARBITRATION ASSOCIATION'S RULES FOR ARBITRATION OF COMMERCIAL RELATED DISPUTES (ACCESSIBLE AT [HTTPS://WWW.ADR.ORG/SITES/DEFAULT/FILES/COMMERCIAL%20RULES.PDF](https://www.adr.org/sites/default/files/commercial%20rules.pdf)), AND THAT SUCH CONTROVERSIES ARE OTHERWISE SUBJECT TO SECTION 5.2 OF THIS AGREEMENT.

Trust Company shall immediately notify Client if, at any time after the date of this Agreement, any of the representations, warranties under Section 6.2 and covenants made by Trust Company under this Agreement materially fail to be true and correct as if made at and as of such time. Trust Company shall describe in reasonable detail such representation, warranty or covenant affected, the circumstances giving rise to such failure and the steps Trust Company has taken or proposes to take to rectify such failure.

7. DISCLAIMERS; INDEMNIFICATION; LIMITATION OF LIABILITY.

7.1. Computer Viruses. Trust Company shall not bear any liability, whatsoever, for any damage or interruptions caused by any computer viruses, spyware, scareware, Trojan horses, worms or other malware that may affect Client's computer or other equipment, or any phishing, spoofing or other attack, unless such damage or interruption originated from Trust Company due to its gross negligence, fraud, willful misconduct or breach of this Agreement. Client should always log into Client's Custodial Account through the Trust Company Site to review any deposits or withdrawals or required actions if Client has any uncertainty regarding the authenticity of any communication or notice.

7.2. [Reserved.]

7.3. Indemnification.

Client agrees to indemnify and hold Trust Company, its affiliates and service providers, and each of its or their respective officers, directors, agents, joint venturers, employees and representatives, harmless from any third-party claim or third-party demand (including reasonable and documented attorneys' fees and any fines, fees or penalties imposed by any regulatory authority) arising out of (i) Client's breach of this Agreement, (ii) inaccuracy in any of Client's representations or warranties in this Agreement, (iii) Client's violation of any law, rule or regulation, or the rights of any third party, or (iv) with respect to Section 3.17, (a) the transfer of Incidental Assets as part of a Prospective Abandonment, (b) any tax liability relating to or arising from Incidental Assets from a Prospective Abandonment and (c) Trust Company's

obligations to escheat Incidental Assets abandoned by Grayscale Investment Product pursuant to a Prospective Abandonment or otherwise under the State of New York's Abandoned Property law, except where such claim directly results from the gross negligence, fraud or willful misconduct of Trust Company.

Trust Company agrees to indemnify and hold Client, its affiliates and service providers, and each of its or their respective officers, directors, agents, joint venturers, employees and representatives, harmless from any third-party claim or third-party demand (including reasonable and documented attorneys' fees and any fines, fees or penalties imposed by any regulatory authority) arising out of (i) Trust Company's breach of this Agreement, (ii) inaccuracy in any of Trust Company's representations or warranties in this Agreement, or (iii) Trust Company's knowing violation of any law, rule or regulation, or the rights of any third party, except where such claim directly results from the gross negligence, fraud or willful misconduct of Client.

7.4. Limitation of Liability; No Warranty. IN NO EVENT SHALL EITHER PARTY, ITS AFFILIATES AND SERVICE PROVIDERS, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, JOINT VENTURERS, EMPLOYEES OR REPRESENTATIVES, BE LIABLE (A) FOR ANY AMOUNT GREATER THAN THE VALUE OF THE SUPPORTED DIGITAL ASSETS ON DEPOSIT IN CLIENT'S TRUST COMPANY CUSTODIAL ACCOUNT AT THE TIME OF, AND DIRECTLY RELATING TO, THE EVENTS GIVING RISE TO THE LIABILITY OCCURRED, THE VALUE OF WHICH SHALL BE DETERMINED IN ACCORDANCE WITH THE TERMS SET FORTH IN THE FEE SCHEDULE GOVERNING VALUATION OF THE SUPPORTED DIGITAL ASSET(S), (B) FOR ANY LOST PROFITS OR ANY SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, OR CONSEQUENTIAL DAMAGES, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, ARISING OUT OF OR IN CONNECTION WITH AUTHORIZED OR UNAUTHORIZED USE OF THE TRUST COMPANY SITE OR THE TRUST COMPANY CUSTODIAL SERVICES, OR THIS AGREEMENT, EVEN IF AN AUTHORIZED REPRESENTATIVE OF TRUST COMPANY HAS BEEN ADVISED OF OR KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES. THIS MEANS, BY WAY OF EXAMPLE ONLY (AND WITHOUT LIMITING THE SCOPE OF THE PRECEDING SENTENCE), THAT IF CLIENT CLAIMS THAT TRUST COMPANY FAILED TO PROCESS A DEPOSIT OR WITHDRAWAL PROPERLY, CLIENT'S DAMAGES ARE LIMITED TO NO MORE THAN THE VALUE OF THE SUPPORTED DIGITAL ASSETS AT ISSUE IN THE DEPOSIT OR WITHDRAWAL, AND THAT CLIENT MAY NOT RECOVER FOR LOST PROFITS, LOST BUSINESS OPPORTUNITIES, OR OTHER TYPES OF SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, OR CONSEQUENTIAL DAMAGES IN EXCESS OF THE VALUE OF THE SUPPORTED DIGITAL ASSETS AT ISSUE IN THE DEPOSIT OR WITHDRAWAL. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THE ABOVE LIMITATION MAY NOT APPLY TO CLIENT.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN SECTION (A) OF THE FOREGOING PARAGRAPH, TRUST COMPANY SHALL BE LIABLE TO CLIENT FOR THE LOSS OF ANY DIGITAL ASSETS ON DEPOSIT IN CLIENT'S TRUST COMPANY CUSTODIAL ACCOUNT TO THE EXTENT THAT TRUST COMPANY CAUSED SUCH LOSS THROUGH ITS BREACH OF THIS AGREEMENT, AND TRUST COMPANY SHALL BE REQUIRED TO RETURN TO CLIENT A QUANTITY EQUAL TO THE QUANTITY OF ANY SUCH LOST DIGITAL ASSETS.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE TRUST COMPANY CUSTODIAL SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS WITHOUT ANY REPRESENTATION OR WARRANTY, WHETHER EXPRESS, IMPLIED OR

STATUTORY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRUST COMPANY SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND/OR NON-INFRINGEMENT. EXCEPT AS PROVIDED HEREIN, TRUST COMPANY DOES NOT MAKE ANY REPRESENTATIONS OR WARRANTIES THAT ACCESS TO THE SITE, ANY PART OF THE TRUST COMPANY CUSTODIAL SERVICES, OR ANY OF THE MATERIALS CONTAINED THEREIN, WILL BE CONTINUOUS, UNINTERRUPTED, OR TIMELY; OR BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM OR OTHER SERVICES; OR BE SECURE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR-FREE.

THE PROVISIONS OF THE PRIOR TWO PARAGRAPHS NOTWITHSTANDING, IN THE EVENT CLIENT IS UNABLE TO “TIMELY”³ (AS DEFINED BELOW) WITHDRAW DIGITAL ASSETS FROM ONE OR MORE OF ITS ACCOUNTS DUE TO THE TRUST COMPANY CUSTODIAL SYSTEM BEING OFFLINE OR OTHERWISE UNAVAILABLE FOR A PERIOD OF TIME DESCRIBED IN FOOTNOTE 3 BELOW, TRUST COMPANY WILL USE BEST EFFORTS TO FURNISH CLIENT WITH THE AMOUNT OF DIGITAL ASSETS THAT IS EQUIVALENT TO THE PENDING WITHDRAWAL AMOUNT(S) IN ORDER TO PERMIT CLIENT TO CARRY ON WITH THE PROCESSING OF SUCH WITHDRAWAL(S), AND WHEN TRUST COMPANY’S CUSTODIAL SYSTEM BECOMES AVAILABLE AGAIN, CLIENT AND TRUST COMPANY WILL WORK TOGETHER TO REPAY TO TRUST COMPANY THE AMOUNT OF DIGITAL ASSETS THAT TRUST COMPANY FURNISHED TO CLIENT DURING THE CUSTODIAL SYSTEM’S PERIOD OF UNAVAILABILITY.

IN ADDITION TO THE LIMITATIONS SPECIFIED ABOVE, FOR SO LONG THAT A COLD STORAGE ADDRESS HOLDS AN EXCESS OF ONE HUNDRED MILLION US DOLLARS (US\$100,000,000) (THE “COLD STORAGE THRESHOLD”) FOR A PERIOD OF FIVE (5) CONSECUTIVE BUSINESS DAYS OR MORE WITHOUT BEING REDUCED TO THE COLD STORAGE THRESHOLD OR LOWER, TRUST COMPANY'S MAXIMUM LIABILITY FOR SUCH COLD STORAGE ADDRESS SHALL BE LIMITED TO THE COLD STORAGE THRESHOLD. AS A BEST PRACTICE, TRUST COMPANY RECOMMENDS LIMITING THE VALUE OF DIGITAL ASSETS DEPOSITED IN EACH COLD STORAGE ADDRESS TO LESS THAN EIGHTY MILLION US DOLLARS (US\$80,000,000). IF ELECTED BY CLIENT, AT NO ADDITIONAL COST TO CLIENT, TRUST COMPANY WILL PROVIDE CLIENT WITH ALL NECESSARY ASSISTANCE TO IMPLEMENT SUCH LIMITATIONS, INCLUDING NOTIFYING CLIENT IN WRITING IF THE VALUE OF DIGITAL ASSETS DEPOSITED IN A COLD STORAGE ADDRESS EXCEEDS THE COLD STORAGE THRESHOLD.

⁽³⁾ For purposes of this Agreement, the parties hereto agree that the term “Timely” in this provision shall mean a period of 48 hours or more.

7.5 Liability of the Sponsor. It is expressly understood and agreed by the parties hereto that:

- (i) this Agreement is executed and delivered on behalf of the Grayscale Investment Product by the Sponsor, not individually or personally, but solely as Sponsor of the Grayscale Investment Product in the exercise of the powers and authority conferred and vested in it;
- (ii) the representations, covenants, undertakings and agreements herein made on the part of the Grayscale Investment Product are made and intended not as personal representations, undertakings and agreements by the Sponsor but are made and intended for the purpose of binding only the Grayscale Investment Product;
- (iii) nothing herein contained shall be construed as creating any liability on the Sponsor, individually or personally, to perform any covenant of the Grayscale Investment Product either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties hereto and by any person claiming by, through or under the parties hereto; and
- (iv) under no circumstances shall the Sponsor be personally liable for the payment of any indebtedness or expenses of the Grayscale Investment Product or be liable for the breach or failure of any obligation, duty, representation warranty or covenant made or undertaken by the Grayscale Investment Product under this Agreement or any other related document.

Section headings in this Agreement are for convenience only and shall not govern the meaning or interpretation of any provision of this Agreement.

8.2. Amendments. Any modification or addition to this Agreement must be in a writing signed by a duly authorized representative of each of party. Client agrees that Trust Company shall not be liable to Client or any third party for any modification or termination of the Custodial Services, or suspension or termination of Client's access to the Custodial Services, except to the extent otherwise expressly set forth herein.

8.3. Assignment. Client may not assign any rights and/or licenses granted under this Agreement without the prior written consent of Trust Company. Trust Company reserves the right to assign its rights without restriction except notice to Client, including without limitation to any Trust Company affiliates or subsidiaries, or to any successor in interest of any business associated with the Custodial Services. Any attempted transfer or assignment in violation hereof shall be null and void. Subject to the foregoing, this Agreement will bind and inure to the benefit of the parties, their successors and permitted assigns.

8.4. Severability. If any provision of this Agreement shall be determined to be invalid or unenforceable under any rule, law, or regulation or any governmental agency (local, state, or federal), such provision will be changed and interpreted to accomplish the objectives of the provision to the greatest extent possible under any applicable law and the validity or enforceability of any other provision of this Agreement shall not be affected.

8.5. Survival. All provisions of this Agreement which by their nature extend beyond the expiration or termination of this Agreement, including, without limitation, sections pertaining to suspension or

termination, Custodial Account cancellation, debts owed to Trust Company, general use of the Trust Company Site, disputes with Trust Company, and general provisions, shall survive the termination or expiration of this Agreement.

8.6. Governing Law. Client agrees that the laws of the State of New York, without regard to principles of conflict of laws, will govern this Agreement and any claim or dispute that has arisen or may arise between Client and Trust Company, except to the extent governed by federal law.

8.7. Force Majeure. Trust Company shall not be liable for delays, suspension of operations, whether temporary or permanent, failure in performance, or interruption of service which result directly or indirectly from any cause or condition beyond the reasonable control of Trust Company, including but not limited to, any delay or failure due to any act of God, natural disasters, act of civil or military authorities, act of terrorists, including but not limited to cyber-related terrorist acts, hacking, government restrictions, exchange or market rulings, civil disturbance, war, strike or other labor dispute, fire, interruption in telecommunications or Internet services or network provider services, failure of equipment and/or software, other catastrophe or any other occurrence which is beyond the reasonable control of Trust Company and shall not affect the validity and enforceability of any remaining provisions. For the avoidance of doubt, a cybersecurity attack, hack or other intrusion by a third party or by someone associated with Trust Company is not a circumstance that is beyond Trust Company's reasonable control, to the extent due to Trust Company's failure to comply with its obligations under this Agreement.

8.8. Non-Waiver of Rights. This agreement shall not be construed to waive rights that cannot be waived under applicable laws in the jurisdiction where Client is located.

8.9. Notices. All notices, requests and other communications to any party hereunder not covered by the Communications described in Appendix 2 hereto shall be in writing (including facsimile transmission and electronic mail ("**email**") transmission, so long as a receipt of such e-mail is requested and received) and shall be given,

9. TRUST COMPANY OBLIGATIONS.

9.1. Bookkeeping. Trust Company will keep timely and accurate records as to the deposit, disbursement, investment, and reinvestment of the Digital Assets. Trust Company will maintain accurate records and bookkeeping of the Custodial Services as required by applicable law and in accordance with Trust Company's internal document retention policies, but in no event for less than seven years.

9.3. Inspection and Auditing.

(i) *Inspection and Auditing of Trust Company.* To the extent Trust Company may legally do so, it shall permit Client's auditors or third-party accountants, upon thirty (30) days' advance written notice, to inspect, take extracts from and audit the records maintained pursuant to Section 9.1, and take such steps as necessary to verify that satisfactory internal control system and procedures are in place, as Client may reasonably request.

Client shall reimburse Trust Company (A) for all reasonable expenses incurred in connection with this Section 9.3, and (B) for reasonable time spent by Trust Company's employees or consultant in connection with this Section 9.3 at reasonable hourly rates to be agreed upon by Client and Trust Company. Any such audit will be conducted during normal business hours and in a manner designed to cause minimal disruption to Trust Company's ordinary business activities. The scope of any such audit will be jointly agreed to by Client and Trust Company in advance of any audit, provided that neither party shall be unreasonable with respect to the scope of such audit, and shall not include items other than those relevant to the Custodial Services Trust Company provides to Client. Nothing in this section shall be interpreted to require Trust Company to disclose trade secrets, information related to other clients, provide access to secure facilities or services (such as "Vault" locations), or otherwise impair the security or availability of services Trust Company offers to other clients, provided that Trust Company will use reasonable efforts to provide Client with such information or substantially equivalent information in a manner that does not violate the foregoing.

(ii) *Trust Company Audit Reports.* Trust Company shall, as soon as reasonably practicable after receipt of any audit report prepared by its internal or independent auditors pursuant to Trust Company's annual audit or otherwise, provide Client notification if such audit report reveals any material deficiencies or makes any material objections, furnish to Client a report stating the nature of such deficiencies or such objections, and describing the steps taken or to be taken to remedy the same. Such audit report will be deemed Confidential Information of Trust Company.

9.4 Reserved.

9.5. Material Adverse Effect. Trust Company shall give Client prompt notice of any event, occurrence, development or state of circumstances or facts that has a Material Adverse Effect. Such notice shall reasonably describe such change in business conduct, event, occurrence, development, or state of circumstances or facts.

- (i) the financial condition, business, or results of operations of Trust Company;
- (ii) Trust Company's safekeeping of the Digital Assets; or
- (iii) Trust Company's ability to provide the services contemplated by this Agreement.

provided, however, that none of the following, either alone or in combination, will constitute, or be considered in determining whether there has been, a Material Adverse Effect: any event, change, circumstance, effect or other matter resulting from or related to (i) any outbreak or escalation of war or major hostilities or any act of terrorism, (ii) changes in any laws, GAAP or enforcement or interpretation thereof, (iii) changes that generally affect the industries and markets in which Trust Company operates, (iv) changes in financial markets, general economic conditions (including prevailing interest rates, exchange rates, commodity prices and fuel costs) or political conditions, (v) any failure, in and of itself, of Trust Company to meet any published or internally prepared projections, budgets, plans or forecasts of revenues, earnings or other financial performance measures or operating statistics (it being understood that the facts
